German Force Had to Retire

Before a Body of Eight Thousand Chinese.

British Preparing to Winter in China—Latest German Proposals Accepted by Britain-Attack on Shanghai Anticipated.

London, Monday, Oct. 8.-The Stan- | from the city. The British authorities dard has the following from Tien Tsin,

dated Friday, Oct. 5: "A German force came in collision with 8,000 Chinese, described as Boxers, a few miles south of Tien Tsin, this morning. The Germans were checked and compelled to retire on Tien Tsin. There is reason to believe that the Chinese in this case were not Boxers, but were Li Hung Chang's veterans, who had been ordered to wait near here in view of the possibility that the foreigners would bar his progress to the capital.

"According to native reports, both soldiers and people have fled from Pao Ting Fu. The expedition to that point has been delayed owing to the lack of

transport for the Germans." THE PEACE PARLEY. In a dispatch from Pekin to the Times, dated Oct. 1, Dr. Morrison says: "It looks now as if M. De Giers (Russian minister to China) would negotiate with Li Hung Chang at Tien Tsin. The Amer, an withdrawal will facilitate Russia. negotiations concerning

Manchuria.' "All the mandarins in Pekin have declined the empress dowager's order to proceed to Tat Yuen Fu, assigning various pretexts."

TO TAKE TUAN'S PLACE. According to the Shanghai correspondent of the Times, writing Oct. 5, it is announced that Huoi Tapu, nephew of the empress dowager, who was dismissed by Emperor Kwang Su appointed generalissimo of the Chinese forces, replacing Gen Yung Li.

READY FOR AN ATTACK. The Shanghai correspondent of the Morning Post, in a dispatch dated yesterday, says: All the foreign troops here are held in readiness against an attack of 8,000 Chinese troops now advancing along the Grand Canal. The British river gunboat Woodcock has gone to Hankow to survey the Han

River. It is significant of future events regarding the capture of the Chinese court that the British river gunboat Woodlark is surveying a landing place near the Kang Yin forts. SALISBURY ACCEPTS.

London, Oct. 6 .- Lord Salisbury, the Associated Press understands, answered German's last note today, accepting its proposals. The Chinese embassy has been ad-

vised that Li Hung Chang left Tien Tsin Thursday for Pekin. Tien Tsin, Saturday, Oct. 6.—Li Hung Chang, whose visit to Pekin, apparently, has been postponed indefinitely, left this morning for the Chinese capital. The five Belgian engin eers and fifteen missionaries who had been kept prisoners for many weeks at Pao Ting Fu, but were recently released under orders from LA Hung Chang, who directed them to have safe escort to Pekin, refused to start, fear-

ing treachery on the part of the Chimese escort. A Tien Tsin dispatch of the 6th says: The expedition to Pao Ting Fu is now scheduled to start tomorrow (Sunday). It is reported that the Boxers have reimproved gunboats on the Grand Canal to defend the town, although already practically deserted, in anticipation of the projected attack.

THE EMPEROR'S EDICT. A Pekin dispatch, dated Oct. 1, via Tien Tsin, Oct. 6, and Shanghai, Oct. 7, says: "In an imperial decree, issued at Tai Yuen Fu, capital of the Province of Shan Si, dated Sept. 25, Emperor Kwang Su denounces the Boxer To rent—Frame house, on corner Ridout and Fullarton streets, 11 rooms and cellar, two blocks from market and postoffice.

board of clans.

JAP FORCES REDUCED. Pekin, Oct. 2, via Tien Tsin, Oct. 5, and Shanghai Oct. 6.—The Japanese retrograde movement has begun, and Japan forces in China are being rapidly reduced. The Morning Post has the following dispatch, dated Oct. 5, from Mai Tow, on the Pei Ho: "Sir Alfred Gazelle (the British commander) has returned to Pekin, after issuing orders that all the British troops, except the Wei Hai Wei regiment, shall prepare for the winter. The American marines from Pekin have arrived here. Some of the French troops are leaving."

REBELS DEFEATED. Hong Kong, Oct. 7 .- Yesterday 1,000 rebels attacked the market town of Sai

Wan, eight miles northeast of San Chan, but were defeated. Hong Kong, Oct. 8.—The town of San Chun is quiet this morning, and the stores have been reopened. The rebels who attacked Sai Wan, near San Chun, on Saturday, are believed to belong to the force of Triads which is proceeding westward, levying blackmail and recruiting.

MOVEMENT OF THE ROYAL FAMILY.

The news which the United States government has received of the purpose of the Chinese imperial court to take up its abode at Tsingan Fu, in the province of Shen Si, comes from Japanese official sources, but so far there has been nothing from the Chinese officials to show that the movement actually has taken place. state department has put forth all of in 1898, has succeeded Prince Tuan in its efforts to bring about an abandonthe Tsung Li Yamen, and has also been | ment of the project. However, it is now conceded that the presence of the emperor and empress in Pekin is not absolutely necessary to the attainment of a satisfactory and permanent settle-ment of the Chinese trouble, though it is undoubtedly true that their return

would hasten such a settlement. THE CAPTURE OF SHAN HAI

KUAN. St. Petersburg, Oct. 8 .- Admiral Alexieff, in reporting the occupation of Shan Hai Kuan, on the Gulf of Liao Tung, says: "In accordance with an agreement of the admirals, the forts have been divided among the different nations. The forts are nearly intact, and the whole route from Pong Ken to Shan Hai Kuan is now occupied by the Russians. After the occupation of Shan Hai Kuan the Americans refused to participate further in the operations. Part of the Russian force is advancing

IMMIGRATION

northward."

First Meeting of the Commission Held at Ottawa.

Ottawa, Oct. 8. - The first meeting of the royal commission to investigate and report upon certain statements relating to Chinese and Japanese immigration to Conada, was held here Saturday. There were present R. C. Clute, Q.C., and D. J. Munn. The other commissioner, Ralph Smith, M.P.P., is busy with his election at Nanaimo, George Simpson, of the Hansard staff, was appointed stenographer to the commission. Arrangements were made to make a full and exhaustive inquiry into the whole subject, and the commission then adjourned to hold its next meet-

ing on the Pacific coast. With such men as Clute, Smith and Munn, the investigation will be thorough, and therefore the remedy must follow. Mr. Clute's work in connection with the Crow's Nest Pass and the great mining strike of the boundary creek district, where he was assisted by Ralph Smith, is a guarantee that nothing will be left undone to place grievances in regard to Chinese and Japanese immigration among those burning questions already settled by the Laurier Government.

OF THE MINERS

Called by President Mitchell for Friday Next.

This May Mean a Speedy Closing of the Great Strike.

Shenandoah, Pa., Oct. 8 .- President Mitchell this morning issued a call for a convention of mine workers of the three districts comprising the anthracite field to meet in Scranton on Fri-

day next. THE EXPECTED DID NOT HAPPEN

Hazelton, Pa., Oct. 8.-In anticipation of marching by the strikers this morning every one of the dozen or more collieries in this district still in operation in a more or less crippled condition, was virtually an armed camp during the night. But the expected did not happen and the peace of the community remains undisturb

NO CHANGE.

Harrisburg, Pa., Oct. 8.-There is no change in the strike situation in the Lykens Valley. The Williamstown colliery is working full time, with nearly 1,200 men and boys on the rolls. The employes of this colliery have been working steadily for many years and have refused to have anything to do with the union or the strike. Both colleries are controlled by the Pennsyl-

vania Railway Company. MARCHERS LED BY WOMEN. Hazelton, Pa., Oct. 8.—Nearly 2,000 strikers, with 50 women and girls, marched into Latimer early Saturday morning and completely tied up the two collieries of Calvin Pardee & Co. A thousand strikers from the south side had left their homes at midnight. The women, including "Mother Jones, were conveyed in wagons, while the men walked. A little before 6 o'clock they entered Latimer, headed by a fife and drum corps, 50 women and a pretty Polish girl, carrying a large American flag. They marched and countermarched until 7 o'clock.

When the whistle blew a great shout went up from the crowd, who saw that no one had responded to the call. Shortly after this a faint cheer was heard in the distance, and suddently 1,000 north side marchers burst through a gate on the further end of the company's property half a mile away. They rushed down the company's railway, and joined the south side force on the very spot where the 22 march-

ers were shot by deputies in 1897. For a moment it looked as if the leaders of the south side strikers would lose control of the men, and they, too, would break and overrun the private grounds, but they were held in check. Otherwise the sheriff, with his small force, would have been absolutely powerless to deal with the 2,000 cheer-

ing marchers.

The combined forces, after a short rest, formed two by two, and with the women and girls in the lead, started on another parade through the The women marchers the Lattimer men blacklegs and other hard names, while those thus assailed remained mute for fear of being attacked. This was kept up until 8 o'clock, when the marchers dispersed
