CITY VOTERS' LISTS.

Names of Well-Known Citizens Left Off the Lists.

By accident, no doubt, the following well-known citizens have found their names left off the Dominion voters' list:

Thos. Hobbs, sen., 296 King street.

Thos. Taylor, 287 Dundas street.

Geo. Loveless, sen., 185 St. James street.

Rev. W. J. Clark, 307 Wolfe street.

Lon Paladino, 464 Talbot street.

John McKinley, 2114 Dundas street.

U. A. Buchner, 257 Talbot street.

These gentlemen discovered, by a personal inspection of the voters' lists, now on view daily, afternoon and evening, at the Young Liberal rooms, Oddfellows' block, that they were disfranchised, and they are enabled, under the new Ontario law, to have their names placed on the lists by application at the Liberal rooms without the necessity of going before the county judge.

Is your name on or off the list?

No one can be certain unless he personally inspects it.

The only necessary qualifications are:

1. You are a British subject.

2. You are 21 years of age or upwards.

3. You reside in the city.

This afternoon and evening will be a most suitable time to examine the lists and make the necessary affidavit, which cost the voter nothing. Be sure now, and avoid disappointment on election day.

LONDON AND ENVIRONS.

His heart was broken utterly.

A burden was his life,

And so to him he carried it,

He took another wife.

—Mr. Alex. Findlay, chief engineer at the waterworks, accompanies the commissioners on their present tour.

A number of young people from the city drove out to Mr. John Hodgins', on the tenth concession, last evening, where a very enjoyable time was spent.

—Wesley E. McGarvey, son of Mr. E. McGarvey, of this city, and brother of Mr. (Dr.) G. P. Westland, Queen's avenue, is seriously ill at his residence in Boston.

—Mrs. Thornley, city, president of the Provincial W. C. T. U., delivered an address at the semi-annual meeting of the Bruce county union yesterday and conducted a parliamentary drill.

—Mrs. Brophy, wife of Conductor Brophy, of the Grand Trunk Railway, and their relatives and friends are at present visiting their relatives and friends in London and other eastern cities. —[Windsor Record.]

—Mr. James W. McLaren, of South London, has been elected district deputy master workman of London district by a vote of eleven to two. Mr. McLaren is a member of London Lodge, A. O. U. W., and the honor is a deserved one.

—A fine field of ice is assured for the Mardi Gras at the Princess Rink to-night. Six handsome prizes are to be given away, and the seventh Band will furnish the music for which it is noted. The number in costume is expected to be large.

—The Detroit Free Press says: "Two boys named Howlett and Martin, of London, were brought to this city by Trust Officer Seale, of Detroit, where they had been arrested. They are 13 and 11 years old. They will be sent back to London today."

—Owing to a runaway at Tilbury Center Tuesday Mrs. Edward Hornick, of that place, was dangerously injured and her little daughter Pearl was killed. Mrs. Hornick is the sister-in-law of Mr. Charles Lewis, the Richmond street barber, and he and Mrs. Lewis have gone to that town.

The Medical Association.

The monthly meeting of the London Medical Association was held on Monday evening in the Medical School. A large number of members were present, and the proceedings were of much interest to the profession. The association recognize the great evil that has wounded the practice of medicine in the city of London and contract practice, and propose to take the aid of the Ontario Medical Council to remedy the evil. Dr. Butler read a valuable paper on "Acute Inflammation of the Middle Ear," which is so prevalent as a result of influenza. The papers were discussed at length by many of the members.

Memorial Missionary Meeting.

The annual missionary meeting of the Memorial Church was held last night with a large attendance. Rev. Canon Richardson presided, and addresses were delivered by the Bishop of Huron and Rev. H. C. Dixon, Toronto. Rev. Mr. Crisp and Rev. Mr. Roy were also present. In presenting the report for the past year Rev. Canon Richardson referred to three fields of missionary work—diocesan, domestic and foreign—and he was glad to say that the congregation had recognized all these and done its part in supporting them. They had sent to the treasurer \$725 for mission purposes; besides this the W. A. reported \$374, and the Haverhill Mission Band \$70, a total of over \$1,100. Of this sum \$437.84 was devoted to the work in this diocese.

The City Sewerage.

The sub-committee of the Board of Health appointed to deal with the question of sewerage met last night with the following members present: Dr. Gardiner (chairman), Ald. F. J. Fitzgerald, Wm. Skinner and Dr. Hutchinson. M. H. O. As a result of the discussion the following resolutions were adopted and will be submitted to the Board of Health: 1. Your committee believes that the time has come for the city to construct a system of general sewerage, so that all sewers will fall into one main sewer and these uniting into one main sewer would run to some point below the city and there be treated according to the downward intermittent filtration principle, or sewerage farm. The two branch cut-off sewers would run, one along the south branch and the other along Carling's Creek, and all branch sewers would run into these two cut-off sewers. 2. Your committee would recommend that none of these branch sewers be put down at a level of less than that of one foot in 200 feet. And

they should be put down so that in the center of the street the depth of the sewer would be at least ten feet. 3. Your committee would recommend that the Provincial and Dominion Governments be approached and asked to contribute a share towards the payment of the cost of this work. And that the rest be raised in two parts, one to be a general tax on all the ratepayers at so much on the dollar, and the other half as a frontage tax on all property in the city. 4. Your committee would recommend that the outlet of all sewers be made under water; and those at present not doing so be attended to at once under the supervision of the Board of Health.

A Flourishing Court.

Court Pride of the Dominion, A. O. F., one of the largest and most prosperous of city lodges, held a capital smoking concert at its rooms in the Albion Block last night. The brethren filled the place and smoked the pipes of peace and fraternal good will. The chair was occupied by Bro. A. Jeffrey, H.S.C.R., who delivered a neat address, and introduced an enjoyable programme composed of songs by Bros. Fred. Rossiter, D.C.R., Arthur Pestel, Alf. Butler, Fred. Chambers, W. Barklamb, Thomas Tuxford, Sergt. Cooper (baracks), J. Reid, Privates Warren (Military School), and G. Stickle, instrumentalists, by Bros. Fred. Rossiter, P. Young, and also recitations, etc. Bro. Fred. Rossiter was the accompanist. The committeemen were Bros. H. Down, A. Wootton, E. Brown, E. Price, J. Stilling, D. Palmer and W. Magwood. Court Pride has reason to take pride in its record for 1931 just published. It has a membership of nearly 300, in good standing, has assets of about \$300, or \$22 per member, and paid out last year \$2,732.35. Initiations are made at almost every meeting.

St. Andrew's Church Notes.

The session of the church has decided to procure an assistant to help the pastor, Rev. J. A. Murray, for a few months. Of late the pastor's health has not been as good as desired, and it is expected the assistance which it is proposed to give him will be very helpful in his arduous labors. Important improvements are being made in the basement of the church for the better accommodation of the Sabbath school. The reopening will take place in a short time, when an old-fashioned tea meeting will be given. In the meantime the Sabbath school services are being held in the auditorium of the church. A "bureau of information" has been established in the vestibule, where information of all kinds can be received and given regarding church affairs. Eight new ushers have been appointed, all young men. Mr. Jas. Gillean, Mr. D. McDonald and Mr. Jas. Mills, who have acted in this capacity for a number of years, having expressed their wish to retire, have been placed on the honorary staff.

Death of Mrs. Wm. Yates.

Mrs. Yates, relict of the late Wm. Yates, died very suddenly last night at her home, No. 31 Hamilton road, although over 73 years old, deceased was in the enjoyment of splendid health and ate a hearty supper shortly before her death. She had just finished writing a letter to her son George, and had gone to her room, when almost immediately one of her daughters heard her breathing heavily. The daughter went to the mother's assistance, but was just in time to see the old lady breathe her last. Mrs. Yates
