# MRS. BELMONT SAYS SHE WAS ASSAILED

But Doesn't Blame Parkhurst for Getting Back at Her.

HIT HIM IN MAGAZINE

Noted Divine and Reformer Said Some Harsh Things About Suffrage Leader.

New York, Nov. 26.—"I suppose Dr. Parkhurst thinks he has a right to get back at me," said Mrs. O. H. P. Belmont yesterday, "and he took his Thanksgiving Day sermon as an opportunity to do so. He has a perfect right to retaliate, for I criticised him in a magazine article last month regarding the way he drove the women of the Tenderioin out of their quarters with absolutely no good result to the city."

It was after hearing read excerpts

Cost Too Much.

They argued that if the city is put to such expensive prices every year as the trip of Mayor Stevely and Ald. Ferguson to Medicine Hat cost the people and for which the citizens have got absolutely nothing in return, it would be better if London were out of the league.

There are still a number of members who are unconvinced that Ald. Ferguson was at the Medicine Hat convention, and it is expected that reports will be received shortly which will either prove or disprove the statements that he was there. New York, Nov. 26 .- "I suppose Dr It was after hearing read excerpts

from the Thanksgiving Day sermon in the Madison Avenue Presbyterian Church yesterday morning by Dr. Chas. H. Parkhurst that Mrs. Belmont made the above remarks. In his sermon, Dr. Parkhurst said

n part:
"The problem we confront is not the mere problem of the ballot. That is but a feature. That ballot business is only a single aspect of a vastly larger

whole, and the outdistancing tions. conspicuity into which that single aspect has been femininely foisted A S. suggests nothing so distinctly as it does the logical infirmity of mind which constitutes one of the weak-nesses, and, I might also say, one of the charms of the feminine constitution.

"No Flavor of Disrespect."

"Woman, of course, has a great deal that man has not, but her premises and her conclusions are apt to live so far apart as to fail of becoming more than imperfectly acquainted Which is spoken with no flavor of dis-respect. Neither sex has everything; otherwise there would have been no advantage in having two.

Now, why will not our lady friends take the platform, omitting for the moment their banners and things, and talk to each other and to us in a simple and thorough way about these great underlying questions, compared n behind the rail, counting ballots, holding town meetings, being president, being almost the whole thing, in act, is but secondary matter?" Speaking of the recent convention reld at Carnegie Hall by the woman suffragists, at which Mrs. Belmont

presided, Dr. Parkhurst said: "An attempt is being made to accomplish something without first discovering whether it fits logically into the framework of sociological principles and historic trend. The absence of all that constituted for me the distinctive feature of the recent

as being not so much of a movement as an equation."

"Ashamed of These Women."

"On that

were vociferously and rapturously applicated were the lunges made at the male lunded were the lunges made at the male Reading, "The Last Hymn," rms, and not to say anything rash, it I was a shamed of those women.
"That was a mighty poor return to That was a mighty poor return to Grand any sallantry—a gallantry—a gall That was a lightly pool return to make for American gallantry—a gallantry for which English-speaking people everywhere have been distinguished. There was not a woman in that auditor.

The was a lightly pool return to make the control of the contr There was not a woman in that auditorium that was not the daughter of some man. They had fathers as well as mothers, all of them. I suppose.

"There was one woman very conspicuously present on the platform who had changed husbands, so, I suppose, there must have been something in her case that might give point to her remarks."

Lev Buck), Miss Alice Halls, contralto, and Mr. McCutcheon, baritone, of St. Andrew's Presbyterian Church. Mr. C. E. Wheeler, accompanist.

Violin solo, selected, Mr. Joe Cortese.

Solo, "The Ransomed of the King,"

that might give point to her remarks; yes, and there was another one there, too, prominently connected with the improvement—I mean the eruption—that also belonged to the migratory sisterhood also belonged to the highestory sixternood and to do not mean at all that this agitation is in the interest of what might be called 'tandem polygamy.' but ladies should be made thoughtful by facts."

## SAYS AMERICANS ARE NOT ENGLISH

Professor Wheeler, Appointed by Roosevelt, Says U.S. Is Not of That Race.

Berlin, Nov. 26.—All Berlin is talking today of the sensational anti-English speech made at yesterday's Thanks-giving Day banquet by Prof. Benjamin the railroads, but that it was joining to the party should come to us."

A railway freight official said yesterday freight official said yesterday that a careful reading of the party's platform that is not in ours, and that is loyalty to their friends, and I think that when there are any offices going they should come to us."

Mayor Was Magistrate.

In the absence of Magistrate Love, Mayor Stevely dispensed justice this going they should come to us." Ide Wheeler, who holds the Roosevelt heartily in the movement to avert appointment to the faculty of Berlin loss to the business world, always University. The anti-English agitators occasioned by want of cars, and conthroughout Germany have seized upon the speech as an indication of the impending danger unless shippers and friendly feeling of the United States for keeping freight cars on the move. The Germany in her present attitude toward railroads say that there is really no

England.

"We Americans are not an English car shortage at present, and it would car shortage at present, and it would be a shortage at present.

Hall. That is not English, but Irish, he said.

Wheeler's sole admission of American and British kinship was: "We speak a tongue that has some resemblance to the English language."

# SHOULD HELP RAILWAYS

Prompt Handling of Freight by Shippers Would Avert Car Famine Danger.

An article on the subject of car supply, which appears in this month's of "Industrial Canada," the offi-

A railway freight official said yesveyed to its members a warning of the receivers joined with the railroads in To the Editor of The Advertiser: "We Americans are not an English race," said Wheeler. "There is no use trying to pretend that we are. England's policy has never been our policy, and never will be. America never sympathizes with English methods or manners.

"The present commercial greatness of England is due to her control of the Care and Suez Canal routes to the Far East. "That commercial superiority will be transferred to America the moment the Panama Canal is completed."

Mr. Wheeler went on to say that there was no trace of English nature in the humor that allows America to bear the humor that allows America to bear the humor that allows America to English, but Irish, he said.

Wheeler's sole admission of American Gazette, Nov. 3, 1909.

Christian heroes have been self-sacrificing, and have fluing themselves against the foe. And thanks to them only such length of time as is necessary to load and unload freight. In this way the freight car equipment of the railroads, in the use of which the public has a joint interest, could probably be made to supply all the wants of the shipping world, and the great loss and embarrassment to both the shipping public and the railroads through car famines, which have been only such length of time as is necessary to load and unload freight. In this way the freight car equipment of the railroads, in the use of which the public has a joint interest, could probably be made to supply all the wants of the shipping world, and the great loss and embarrassment to both the shipping public and the railroads through car famines, which have been of almost yearly occurrence in the past, would be obviated.—Montreal Gazette, Nov. 3, 1909.

# **RE-ELECTS OFFICERS**

Montreal, Nov. 26.—At the annual neeting of the Canadian Bankers' Association today the officers were re-elected as follows: President, Sir tion by N. Lavoie, G. P. Scholfield, C. A. Bogert, F. L. Pease, G. H. Balfour, E. I. Thorne, W. D. Ross. It is understood that the bank act was discussed.

Mrs. Winslow's Scothing Syrup.
