INSURRECTOS GATHER FOR PEACE TALK

Everybody Is to Have a Part in Consideration of the Terms.

[Canadian Press.] E. Paso, Texas, March 30.-All available in Paso, Texas, March 29.—All available insurectos in the field in Northern Mexico are being concentrated west of Chilmanua, according to news received here. It is believed by insurrecto sympathizers that the purpose is to allow those who have fought for the insurrecto cause to have some part in the consideration of peace terms.

However, the concentration of Madero's forces near Chihnahua would make possible en immediate movement against that city should negotiations fail.

Many of the insurrects are small farmers. They have been in the field formonths, and have suffered many hardships. As the time for planting their grops is now at land, it is thought here they will be willing to return to their farms and await the development of reforms all assured by the cabinet that the reforms already outlined will be enacted. They will demand, however, that they catain their arms, that all prisoners taken since the outbreak of the insurrection be
