Veteran London Miller Victim March 19 Set Aside For Big Sought To Cast Doubt On the Gallantry of Hon. Dr. Beland.

QUEBEC RUN RAILWAY EXCURSIONS SPEECH WARMLY CHEERED

Western Ontario Residents Both Sides of House Applaud Mention of First Canadian on Firing Line.

[Special to The Advertiser.]

rio towns and cities will be able to participate in the reception as well as Londoners, arrangements have been made with the railway companies to run excursion trains into the city for tisan ambushing at such a time as this that date. Single fare for the return journey from all points in Western Ontario, which are included in the first division will go into effect. vision military area, will go into effect for the day and a record attendance of those who have loved ones at the camp, is expected.

> the patriotic in our public life. I am not going to shoot from concealment. I name the member for Kings-Albert (Mr. George W. Fowler) as one of these political snipers. I read in a press report of his speech to a Conservative meeting. Saturday night, that he sneered at the gallant and patriotic ser-vices of a member of this House, a member whom we all hold in highest honor and esteem, Hon. Dr. Beland. (Prolonged cheering in which many Conservatives joined). He went on to state that Dr. Beland did not go to Belgium to take part in the war and added the unworthy insinuation that if he had been in Canada, when the war broke out, it was very doubtful whether he would ever have made a move to aid the cause of Britain. (Cries of

Smallness of Some People.
"None of us," continued the young
Cape Breton man, "cen afford to pass that by. It shows how small some people can become. The name of Dr. Beland is honored, worthily honored, not only in this House, where all knew and esteemed him, but throughout the whole country. He was the first Canadian to volunteer his services, he was the first to shed blood in service of the British forces, he is today a was the first reeve of Petersville, the community would be just as high and prisoner of war in the hands of the village which was incorporated into the no higher than the standard demanded enemy. The minister of militia honcity as West London, about 1900. He by the women of that community, was ored himself and honored Parliament served for two terms, 1874-5, and W11- the contention of Dr. J. L. Gordon, who and honored Canada, when he appointed liam, his son, was the last reeve of the village, just prior to its passing into in the First Methodist Church last medical service branch of the Cananight on the subject: "What Standard dian contingent (cheers), and we know Many years ago he founded the Em-press Avenue Methodist Church, which Demand of a Young Man?"

ding of women a higher morality than they had Caesar's wife had to be "Sir, let me say this one thing more," exclaimed Mr. Carroll indignantly, "these political snipers who would do injury to men they are unworthy to even mention, will have no more suceven mention, will have no more suc-cess in their unworthy campaign than will the German snipers in lowering the when the dam of the Blackfriars mill but in the present generation and power and prestige of Britain in the was swept away by the waterspout of age, women were beginning to assert blood-stained trenches of Flanders."

north, and the Thames was suddenly changed into a roaring current, on a summer day.

would rest with Great Britain and her Hamburg-American Line Asks Authority-Uncertain of Affairs Abroad.

BERLIN, March 15, via London, March 16.—2:29 a.m.—On the basis of a BERLIN, March 15, via London, Bundersrath decree, the Hamburg-American Steamship Company has petitioned the Senate to permit it to dispense with the submission of its annual statement, and also with the annual general meeting of the company which is called law. If the re quest is granted it is stated the company will not compile its 1914 statement and that it will also abstain from holding the general meeting. The grounds given by the company for making these requests are that for their husband should come to them at the marriage altar with a spotless record.

A woman should demand also the standard of a generous nature, of a genuine love and of a deep religious conviction. Without true love no marriage could be a heavy and the standard decree, under which The Bundesrath decree, under which

Valcartier Camp To Be Re-opened In The Spring

Soldiers From All Parts of Canada To Go There for Training.

[Special to The Advertiser.]
OTTAWA. March 15.—As soon as spring is established, and the weather has settled, so that soldiers can live under canvas. Valcartier camp will be

Soldiers from all parts of Canada will be taken to the camp for training. General Hughes believes that there should be no time lost in training men to shoot, and that there is ne place in Canada where this can be so well done as at Valcartier, where there are 1,500 targets and ample space for camping and for manoeuvres.

It is expected that the troop train will begin moving upon Valcartier in the course of a couple of weeks.
