## CAVENDISH AND BURKE

### THE KNIFE FOUND USED IN THE BASTARDY MURDER.

Stained With Human Blood—Hopes Still Entertained of Capturing the Murderer.

DURHAM, Oct. 4.—The weapon used by the murderers of Lord Cavendish and Mrs. Burke was found in the refectory of a stable in rear of the house belonging to a man residing in the village of St. Lawrence, who was arrested on suspicion of having information concerning the murder. It is alleged that the weapon was found in the refectory of the house on the night of the murder. The weapon found was a four-inch five-eighths long, with blades three-quarters of an inch wide. They are quite sharp, and are evidently a pair of pocket knives. There were discolorations on them, which the chemical analysis proved to have been made by human blood. It is hoped the murderer will yet be captured. The authorities observe the strictest secrecy.
