Carbonic Large as Hen's Eggs!

Mrs. NANNIE GULMAN, of Bendavia, King William St., writes as follows: For about eight or ten years my father, Col. T. U. Foggo, of West Point, Va., was laid up with arthritis, the worst that I ever saw. He tried everything he heard of, his doctor could do nothing for him. Had six or seven carbonic large as hen's eggs. It got so bad he could not walk and suffered so much he could not get up. In 1923 he had his bed put in the middle of his room and got up to it to die. No one expected him to get well. He saw Mr. Egan's Golden Medical Discovery advertised for all blood disorders. Before he had taken half a bottle of 'Egan's' they began to go away. Two bottles entirely cured him. He is now 75 years old, and enjoys good health.

A Sensible Woman

She's putting the washboard where it'll do some good. She has suffered with it long enough; broken her back over it, rubbed the clothes to pieces on it, wasted half her time with it. But now she knows better. Now she's using Pearline—and when a woman uses Pearline, the only way to use the washboard is in the kitchen fire. There's no more hard work, no more ruinous rubbing, but there's washing that's easy and economical and safe.

Millions of women are just as sensible as this one. Are you? Send it Back your grocer sends you something in place of PEARLINE, do the honest thing—send it back.

Before his death the greatest pianist that ever breathed, the immortal Liszt, took occasion to express his unbounded admiration for the tone qualities of the Mason & Risch Pianos.

Now Patti, the greatest lyric artist of the age, declares by her purchase that another style of instrument of our manufacture is worthy of accompanying her matchless voice.

We trust that we may be pardoned for exulting in the unparalleled honor thus paid to our efforts as tone producers.
