The result of the inquest held in Montana, showed that Mr. and Mrs. Robinson, formerly of Ailsa Craig, met death by carbon monoxide being forced back through the floor of the car when the exhaust pipe became clogged with mud. A farmer living two hundred yards away offered them lodging, but they preferred to remain with their car, it being a warm night, as shown in the report of the inquest.

Bishop Denny addressing the North Carolina Methodist Conference advised every man to wear a mustache as the last distinctive badge of masculinity women have left him. "Wear one," he told the 300 delegates, "that is all the women have left us. They cut their hair and wear men's clothes, but they can't wear a mustache. It is your badge of masculinity." The bishop wears one himself.
