athe 28th of last month a were discovered by the Unitnear the Big Cypress swamp, bey fled to'a postion in which e posted in great torce. A ensued in which the Indians having killed 28 of the troops 11. Among the killed are n, Capt. Van Swearingen,

Lord Glene'g to Sir F. B. Head, given in the 'Toronto Patriot of 'Nov. 14, which may have had
something to do with His Excellency a resignation.
It refers to the subject of an address to the King
by the Canadian Churches in connexion with the
established Church of Scotland, in which it is as-

mediate predecessor." Now, it appears to us that all this may be considered by some people as an entraordinary mode adopted by his Lordship of ironically blaming one Governor for committing an illegal act, and another for concealing it. However, this may be, Lord Glenelg expressly says over this may be, Lord Glenelg expressly says of the another for concealing it. However, this may be, Lord Glenelg expressly says of the stirring incidents of the time, and the sketches of those prominently engaged in them.

We should strongly recommend such works to our readers, but a duty of 39 per cent, and a postage of 8 cents bring the cost of each out that the creation and endowment of the Rectories were not lawful or valid measures; and the Solicitor General, to whom the matter was and the Solicitor General, to whom the matter was referred, "that the creation and endowment of the middle of March: a postage of 8 cents bring the cost of each out the time, and we should be said that their victories gave the first impulse and success to the American navy. This biography is enteresting on account of the recourse that their victories gave the first impulse and that their victories gave the first impulse and that their victories gave the first impulse and success to the American navy. This biography is enteresting on account of the recourse that their victories gave the first impulse and that their victories gave the

We have read a score of times original essays, tales, sketches of countries, in the American papers that the war in Flo- and delineations of manners, which have appeared in this Magazine shew that the work is in high repute with those who write for The Municipal Bill for Ireland was read a first is in high repute with those who write for me in the House of Commons, without the least shew of opposition.

Mr. M. Marin's plan for the administration of Colonial affairs, is, to form a permanent board from the retired colonial governor, judges, civil officers, and commercial men residing in England, to execute the duties of the colonial office.

The young queen has visited Drury Lane and Covent Garden theatres, and was received with great enthusiasm. Embroidered trains are to be revived which will bring a class of dress-makers into employment, who have been laid aside for half a century.

Much perhaps as we can say in commendation of any periodical. It also gives an original song in each number—that in the last by the Editor himself is in a capital comic vein on "that's the way the money goes."

We had marked some articles for special notice but shall only now particularize the himsersophical sketch of Com. Stawart of the

The Coronation of Victoria will take place in June next, and is said, will outstrip in splendour any thing of the kind England has ever witnessed. The taste in George the fourth's time was subdued and sensible; in George the fourth's, the court glittered in all the gorgeousness of oriental splendour; in William the fourth's reign the people returned to a quiet and placid display in public matters; and it would appear, to keep up the alternation (like reversing the position of the Sovereign's head on the coin of each successive reign) we are to have pageants, and pomp, banquets and shews, under the magnificent auspices of Queen Victoria. attitude remind us of the portraits of Huda There is a long and important despatch from son's time, with broader and less spotty

seried that the constitutional act of the Canadas ment and acumen of Com. Stewart in his of 1791 is an infringement of the rights of the Petito have arisen from the establishment of 57 Rec. to have arisen from the establishment of 57 Rec. force best adapted for the defence of the teries in Jan. 1836 under Sir John Colborne's adtain, and on the relative efficiency of ves-sels of different rates. He pointed out exthe Crown to refer to the local legislature the settlement of disputes about the Clergy Reserves, and choosing the class of ships to be employed that the King would not have instructed his repreegainst the States, and advised the adoption
sentative to establish those rectories. Lord Gleof a heavier class to cope with them advanne g telis Sir Francis that his despatch of Dec. 1836 tageously. Seventy fours to carry 88 guns Contained the first news to his Lordship of the Rectories being either established or endowed. His Lordship then suggests an excuse for Sir John Colborne failing to inform him of this measure, from its being almost the last act of His Excellency's additional conditions.
