Vegetable matter canuished himself for bravery, where all were brave, and for his gallant conduct at the storming of Bank's house and the Montiniere, he was rewarded with the brevert of major. Lucknow was in the possession of the British on the 15th of March, but were allowed little rest, and on the 15th of the next month April, the General, then captain and a staff officer to Sir Edward Lugard, took a leading part in the Skirmish with the rebels at Agenghur, where for the personal bravery he displayed, and for his heroic conduct in risking his own life uished himself for bravery, where all be supplied by ploughing in clover and to save those of comrades he was recommended by General Lugard to Lord

Clyde for the Victoria Cross. The story of his heroism is as follows: Captain Middleton was commander to a troop of the military train in an attack upon a large force of the rebels. In a desperate charge, in which the third Sikh Cavalry took part, Lieutenant Hamilton, of the troop, fell from his horse, Some Sepoy rebels rushed at him to cut him to pieces when Captain Middleton and another officer named Murphy rushed to the aid of the wounded officer and killing some of his assailants drove off the rest, and defended him until he was or ried off the field. Within an hour of that gallant act, a private named Fowles was unhorsed and wounded, and Captain Middleton came to his aid and after driving off his assailants, surpassed by others. The fowle should
