

THE CANADIAN WEEKLY STAMP NEWS.

it should be got while it may.

The ninety of '06 has reached \$20 in the advance sheets. The price of this stamp varies greatly, according to the condition. It is doubtful whether any stamp holds its price so well as a good specimen of this ninety. Nearly every dealer has one or more customers who desire perfect specimens of the stamp. The well-centered copy or good color will bring very near, if not quite, full catalogue rates, and the stamp will never be cheaper, its price never will be lower, than it is at present.

The unwatermarked dollar values 1894, have about reached bottom prices. The slump in their case has been most pronounced, and they are now generally advertised by dealers at a slight advance over face. As times become easier, the prices will doubtlessly rise steadily.

No mistake can be made in filling in the departments at prevailing dealer's prices. Though the 24 cent and 90 cent State unused have attained \$10 and \$15 respectively, in the advance sheets, they are stamps well worthy of purchase, even at prices based on these quotations. The 24 cent Justice, though doubled in price and now \$20, is still priced reasonably, and he who lacks this royal stamp should make haste to obtain it at any fair proportion of \$20.

The new price of the 10 cent Executive, \$12.50, is low enough. Were the collector to pay quite this sum for a perfect specimen, he would not be getting the worst of it.
