LONDON COMMERCIAL COLLEGE And Business University.

WILLIAM N. YEREX. WELLINGTON PANTON. Facts for Parents, Guardians and Students.

Commercial Colleges are a necessity of the times, and give just such a course of training as is required by a very large majority of the young men of the country. The London Commercial College has been established over twenty years, and is continually increasing in popularity, and to-day, as a Business Training School, it has no equal in the Dominion, and consequently diplomas granted at this institution are accepted by business men as sufficient proof of the qualification of those who hold them. That this is the leading Business College in British America, is now universally conceded. Our attendance is larger than that of any similar institution. The graduates of no other Commercial College in Canada are anything like so successful in obtaining good situations and remunerative salaries.
