

SUCCESSFUL BUSINESS WOMEN.

"Mrs. Harriet Hubbard Ayer," says a New York weekly, "has fairly won the position she now enjoys as a successful business woman, and her present sumptuous quarters, which include the entire four-story mansion, 305 Fifth Avenue, and a factory and laboratory on West 31st St., are thoroughly worthy of the industry, intelligence and skill of a woman who has battled successfully and faithfully for the building up of a business, which is now known all over the world. Her life is familiar to everybody and her success is the natural result of a deserving ambition. She has made much money, and thousands of the deserving poor of New York and elsewhere can testify to her generous and unostentatious charity. One characteristic makes her worthy of the appreciation of all. She is always sincere, and her business history is one of perfect fairness. The preparations which she has placed on the market have been analyzed by eminent chemists, and are not only pure, but they are positively beneficial. It has been long admitted by medical science that the skin can be beautified by treatment; the trouble has always been, what shall be used? The skin should be pure and clear. If it is otherwise the cause is in the unhealthy condition of it. Madame Recamier astonished Europe by maintaining her beauty until extreme age; every one wondered how it was accomplished. Mrs. Harriet Hubbard Ayer, who alone possesses the secret of the formulas used by the beautiful Recamier, having purchased them years ago from a descendant of that lady, personally directs their preparation, daily, in her own laboratory. The high testimony of men and women in America and Europe, whose reputations are beyond question, could not have been secured for any use that was not in harmony with honesty and integrity. Such testimony of appreciation and thanks has been extended to Mrs. Ayer voluntarily. Look at the list of leaders of art, literature, law and commerce, who frankly acknowledge that the Recamier Preparations are, beyond question, the best of their kind ever manufactured. The complete success and prosperity of the business is the strongest argument in favor of the Recamier Preparations. Such things cannot last long unless they are what they are advertised to be, and the reward of success is given only to the work of merit."
