

Rev. J. R. McDonald, Barney's River, Pictou, N.S., is being called to Caledonia, the congregation rendered vacant by the removal of Rev. A. V. Morash to Elm Dale.

The Presbyterians of Brighton have succeeded in collecting subscriptions to the value of \$1050 for the erection of a new church building. Operations will begin just as soon as the rush of seeding is over. The site, which is very pretty, is in MacLaine's grove.

Rev. Dr. Bryce preached before a large congregation in Knox church, Winnipeg, on the evening of May 1st, from the text, "A name above every name." "It was an honor of great significance to say 'I am a Roman,' he remarked, 'it is now a greater one to say, 'I am a British subject,' but the greatest of all is 'I am a Christian.'"

Miss O'Hara, of Dhar, India, who arrived in Winnipeg on Saturday morning, the 30th inst., addressed a large gathering in the Y.M.C.A. parlors the same evening. Dr. O'Hara gave an interesting account of mission work in India, and exhibited a number of views relative to the work at Mhow and Dhar. Rev. John Hogg occupied the chair.

Old Knox church, Acton, is to be converted into residences. It was finished in March, 1847, in time to secure a gratuity of \$200 offered by Isaac Buchanan, of Hamilton, to each of the first ten "Free" churches erected after his offer. For three years or so there was no settled pastor. Rev. John McLachlan was inducted as the first settled pastor in August, 1851. Then followed Rev. Lauchlan Cameron, in 1862, Rev. D. B. Cameron, in 1875, Rev. J. W. Rae, in 1887, and Rev. H. A. Macpherson, 1896.

ANNIVERSARY SERVICES.

Bonar church, Toronto, last week celebrated the 7th anniversary of the induction of its pastor, Rev. Alex. MacGillivray, and the 8th anniversary of the organization of its Sunday School. At the Sabbath morning service the pastor preached to the children on "The Duty of Watchfulness," and in the evening the services were conducted by Dr. Ballantyne, of Knox College. The attendance in the afternoon was the largest in the history of the school and the question of increased accommodation is now a pressing one. On Tuesday evening the officers and teachers together with the members of the Bible Class entertained the parents and heads of families. A pleasant hour was spent in listening to a musical and literary programme, interspersed with short addresses by the pastor, the superintendent, Mrs. K. W. Barton, and Robert Burton, M.A., student of Queen's College.

Well Known Pastor

Health, Voice, Appetite and Strength Failed Completely Restored by Hood's Sarsaparilla.

"Last year my health failed entirely. My limbs were so weak that I could scarcely walk. I had no appetite and suffered with constipation. My voice failed me in the pulpit. I began taking Hood's Sarsaparilla and very soon I saw a great improvement. In the winter I was attacked with the grip which left me weak and prostrated. I went back to my old friend, Hood's Sarsaparilla, which seems to be the thing for me." REV. C. S. BEALLERT, pastor Christian church, Lowellville, Ohio. Remember.

who will assist Mr. McGillivray during the summer months. The guests then repaired to the social rooms where light refreshments were served during the remainder of the evening. The congregation took advantage of this opportunity to give their pastor and his estimable lady a pleasant surprise. Mr. J. H. Dunlop, on behalf of the people of Bonar, read a congratulatory address to Mr. and Mrs. MacGillivray and presented them respectively with a fine oak esecetole and a beautiful china cabinet, as a token of the esteem and good will in which they are held by their flock after seven years of faithful and loving work.

A CHEAP MEDICINE.

Is One That Will Promptly and Effectively Cure.

Mr. John Hitch, of Ridgeway, Tells How He Had Spent Dollar Upon Dollar in Vain Before Finding the Medicine That Cured Him.

From the *Standard*, Ridgeway.

People who read from week to week of the marvelous cures effected by the use of Dr. Williams' Pink Pills little think that right in their midst exist many who have been relieved from pain and suffering by the use of these wonderful little pills after having suffered untold agonies for months.

Mr. John Hitch, a man well and favorably known throughout the country, was ever ready when opportunity offered to speak a word in praise of these pills and was never tired of recommending them to his friends. A representative of the *Standard*, anxious to know of the cause of Mr. Hitch's recommendation, called upon him at his home recently and upon telling that gentleman the object of his visit Mr. Hitch consented to an interview. The story in his own words is as follows:—"In the winter of 1891 I was taken with a severe attack of la grippe, from which I was confined to the house for some time. This was followed by severe pains and swellings of my lower limbs. I consulted a physician and he told me it was acute rheumatism. I continued under his care for about two months. I was unable to stand alone, but sometimes when I got started I was able to make a few steps unaided. The trouble was principally in my feet and clung to me all summer long. I tried almost everything that friends suggested hoping to gain relief, but neither medicine taken inwardly nor liniments applied externally gave me any relief. The pain was very great, and I was only too ready to try anything suggested. I spent dollars upon dollars in doctor's medicine, but all to no purpose. The last week I was attended by a physician it cost me five dollars, and having about that time read in the newspapers of the work accomplished by Dr. Williams' Pink Pills, I concluded it was certainly worth the experiment and accordingly purchased a box from a local druggist and commenced their use, discontinuing the doctor's medicine. This was in June or July 1892. After I had taken the first box of the pills I could feel some change and after taking seven boxes I noticed a great improvement. I continued taking them until I had used thirteen boxes when I must say I felt as well as I ever did in my life. Some of my customers who came into my yard would ask me what I was doing that I was looking so well (knowing the sick spell I had undergone) and I would always tell them that Dr. Williams' Pink Pills had wrought the change. They are the cheapest medicine I ever bought," said Mr. Hitch, "and if I had what I spent in other medicines I could sit at ease this winter." During the interview Mrs. Hitch was an occupant of the room and she heartily concurred in what her husband said, and stated that for one other member of the family the pills had been used with success in a case of severe nervousness. Mr. Hitch at the time he was seen by the reporter appeared in excellent health. He is 56 years of age and a man who had always been used to hard work. He was born in Cambridgeshire, England, and came to this country 27 years ago. Before locating in

Ridgeway he conducted a brick and tile yard at Longwood's Road, Middlesex County. He has been carrying on a successful business in Ridgeway for the past ten years.

Dr. Williams' Pink Pills cure by going to the root of the disease. They renew and build up the blood, and strengthen the nerves, thus driving disease from the system. Avoid imitations by insisting that every box you purchase is enclosed in a wrapper bearing the full trade mark, 'Dr. Williams' Pink Pills for Pale People.' If your dealer does not keep them they will be sent post paid at 50 cents a box or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Co., Brookville, Ont.

GEMS OF THOUGHT ON LIFE INSURANCE.

Longfellow sang in the "Tales of a Wayside Inn," "All things come round to him who will but wait." Not so as regards a life insurance policy. But it is true as to death. That is worth a few minutes' reflection to be immediately followed by action.

"The life insurance companies of the present day are something more than merely what that name implies to the careless thinker. They are powerful engines for good. The pittance of the poor they care for with as much integrity as they stand back of the strength and solidity of vast accumulations."

"Here is a good quotation which we fully endorse:—"We would not care two pins for the esteem of a man who fails to provide for the future of wife and family on the absurd plea that his wife was opposed to it." On this occasion don't do as your wife desires."

"There are men who talk and act as if they had a sure thing on outliving every other man. These men think the other men are the men who should insure. You are one of the other men, for surely you do not expect to escape dying."

"Riches are fleeting. Prosperity is not noted for longevity. You may be both rich and prosperous now. Tomorrow may begin to give you a turn at something else. Now is the day of insurance salvation."

"Anthony Hope has said that economy is going without something you do want in case you should some day want something which you probably won't want. It won't pay, however, in any case to do without life insurance if you can get it. Perhaps it is too late. Better look it up."

HOW A WOMAN PAID HER DEBTS.

I am out of debt and thanks to the Dish Washer business for it. In the 5 past weeks I have made over \$500, and I am so thankful that I feel like telling everybody, so that they can be benefited by my experience. Anybody can sell Dish Washers, because everybody wants one, especially when it can be got so cheap. You can wash and dry the dishes in two minutes. I believe that in two years from now every family will have one. You can get full particulars and hundreds of testimonials by addressing the Iron City Dish Washer Co., 145 S. Highland Ave., Station A, Pittsburg, Pa., and you can't help but make money in the business. I believe that I can clear over \$5,000 the coming year, and I am not going to let such an opportunity pass without improvement. We can't expect to succeed without trying. MRS. B.
