Rowing .- A telegram was received by the Tyne crew on the 23rd ult., in Montreal, from Robert Fulton, on behalf of the Paris crew, to row another match in smooth water on the 13th October, at Springfield, Mass., for \$2,000 a side. Owing to the engagements of the Tyne crow in England, and the late hour the above challenge was received, the Tyne crow could not accept it, but proceeded to Quebe and embarked for home on board the steamship "Nestorian," on the 24th of September. It is stated, however, the telegraphy took took their departure. ever, that before they took their departure they left with some Montreal friends the necessary instructions to arrange a match in America next year, with the St. John men, for five or ten thousand dollars a side.

BREAKFAST.-EPP'S COCOA.-GRATEFUL AND COMFORTING.—The very agreeable character of this preparation has rendered it a general favorite. The Civil Service Gazetti: remarks:—"The singular success which Mr. Epps attained by his homoopathic preparation of cocoa has never been surpassed by any experimentalist. By a thorough know-ledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well selected cocoa, Mr. Epps has provided our breakfast tables with a deli-cately favoured beverage which may save us many heavy doctors' bills." Made simply with boiling water or milk. Sold by the Trade only in 11b., 11b., and 11b. tin-lined packets, labelled—James Errs & Co., Homcopathic Chemists, London, England. 39-26i.

LAURIE'S MAP OF THE

North-West Territories!

This map supplies a desideratum long felt, and

- I.—The whole of the Fertile Belt, and those parts of Wisconsin, Minnesota, and Dacota through which the waggon roads pass to Fort Garry.
- -The actual survey of the Selkirk Settlement with all the roads, churches, etc., includ-ing the Now Government Road from Fort William to Fort Garry.
- III.—The Canoc Route from Fort William to Fort Garry.
- -A Sectional Map giving all the Railway or Steambout Routes by which St. Cloud can be reached—(St. Cloud is the present terminus of railway travel).
- V.—Table of distances on the Overland Route.

Emigrants can see at a glance where every good campling Ground or Station (Hotel) on the road is situated, and calculate the rate of travel accordingly.

Newspaper readers will find it an invaluable aid to a proper understanding of the news from that interesting region.

The map has been compiled by D. CODD, Esq., of Ottawa, from official maps and reports never yet made public; and in this work he has been assisted greatly by a practical knowledge of the country laid down.

The Map is 21 by is inches, beautifully lithographed, and will be furnished at the following

The pocket size mailed, free of postage, on receipt of price.

Five mounted maps, to one address, sent by express prepaid.
