

ALL CANADA AT TORONTO.

There will not be a province or a piece of territory in the Dominion that will not be represented at the exhibition to be opened in Toronto by Earl of Darnley on Labor Day and to be continued from Monday, September 1st, (Labor Day) to Saturday, September 13th. To mark their appreciation of this evidence of the country's confidence, the Executive have increased the Prize List until now it is

proudly boasted that, with specimens, upwards of \$37,000 will be distributed in prizes among the exhibitors, six sevenths of which will find its way to the agricultural community. While this large sum proves the magnitude of the exposition, the enterprise of its managers, and the comprehensiveness of the exhibits, the fact that \$30,000 is to be spent in attractions and special features, the latest inventions as well as the latest novelties in the amuse-

ment world, and including \$7,000 for music, shows that while the agricultural and industrial interests of the country are to be well looked after, the people's enjoyment will not be neglected. America and Europe have been scoured for all that is best in every line of attraction. Bolossi Kirally, the greatest master of spectacle on earth, has been secured to produce in all its brilliancy and gorgeousness his stupendous production "The Orient," which

was the wonder of London, Eng., at Olympia for a year, and that is only one of the really costly features that have either been engaged or are being negotiated for. Then there are the new Dairy Building and the new Art Gallery, which will greatly increase the value of the exhibition as a factor in the education and elevation of the people. Reduced rates will, of course, be available on all lines of travel.
