**SERMONS**

By Rev. John Cook, D.D., LL.D., St. Andrew's Church, Quebec.  
**I Vol. 8vo, pp. 10-354.**

The large number of persons who, at various periods during the past fifty years, have sat under the ministry of the Rev. Dr. Cook, will be glad to learn of the publication of this volume. It contains twenty-seven Sermons, which treat of the leading questions in faith and morals. The book is not an ordinary volume, but a selection of the best and most characteristic sermons of a man singularly qualified by character, intellect and attainments, to be a teacher of men; and as it is the only volume he has published during his long and influential life, it will be valued as a memento, not only by those who may still listen to him, but by those who have fallen under his influence, though now scattered throughout the world.

The volume may be had of the chief Booksellers throughout the Dominion.
