

SUMMER COMPLAINTS

OF

INFANTS AND CHILDREN

From the writings of medical practitioners who devote especial attention to diseases of children, we have compiled a pamphlet which we designate the "Summer Pamphlet." In it will be found many valuable suggestions for the care of infants and children during the heated term.

A copy will be mailed upon request.

TO REMIND YOU

of Scott's Emulsion of Cod Liver Oil; and to ask you not to omit the name in prescribing it.

It is certain to give you satisfaction. It will never fail you. It is absolutely the same. You can always depend upon it.

The cordials and wines of Cod Liver Oil are simply make-shifts—tonics with practically no nutritive value, and nobody can tell what the so-called non-secret emulsions are; they are simply made to sell.

Scott's Emulsion is the standard the world over and more so to-day than ever. Nothing can take its place.

Send for sample for comparison.
