

returning at the end of his fourth year and get his diploma. Dr. Campbell stated that this practice was in vogue amongst some of the medical schools, and according to his interpretation of the by-law (chap. viii., sec. 2), such practice was irregular.

Considerable discussion ensued, when the subject was adjourned till the afternoon session.

Dr. Marsden raised the question of the legality of the new by-law, restricting the attendance of the assessors to three days. He stated that he had consulted counsel, and that the by-law was in direct opposition to the Act.

It was then unanimously resolved to alter and amend the by-law sanctioned by His Honor the Lieut-Governor on the 3rd September, 1880, in relation to assessors, as follows:—

“To substitute the following for section 6, chap. 10, of the said by-laws: The assessors shall attend during the medical examinations of each University or Medical School; within eight days immediately following these examinations, they shall send their written report to the secretary of the College residing in the city in which these examinations have been held. They shall be paid, in addition to their travelling expenses, a remuneration of ten dollars for every day that they shall be detained by their duties, providing it does not exceed three days, in which case only five dollars shall be paid for each additional day that they shall be detained, but in no case shall their remuneration exceed fifty dollars.”

The report of Mr. Lamirande, the prosecuting officer of the College, was read by Dr. Lachapelle. The Treasurer also read a statement of his receipts and expenses during the past six months; also a letter from him with regard to his work.

It was then moved by Dr. Lachapelle, seconded by Dr. Larue:—“That the arrangements made between the Medical Board and Mr. C. E. Lamirande, at the last semi-annual meeting, be continued, moreover the Board engages to pay, from this date, a bonus of twenty dollars for each conviction, which he obtains against a charlatan, and, furthermore, that this bonus shall be 25 dollars for each such conviction where the charlatan is too poor to pay the fine, and goes to prison.”—*Carried.*

The meeting then adjourned till 2.15 P.M.

When the afternoon session was opened, the President in the chair, the Secretary read the names of the candidates for License, whereupon Dr. Lanctot asked the President if he had received

a protest from the School of Medicine and Surgery (Victoria College) against granting licenses to the graduates of Laval University, in Montreal. The President said he had been served with such a protest. At the request of Dr. Lanctot the protest was read.

Proposed by Dr. Lanctot, seconded by Dr. Bonin, That the protest, now before the Board, be accepted, and submitted for discussion.

Moved, in amendment, by the Hon. Dr. Church seconded by Dr. Marsden, “That, inasmuch as section 7 of the Act incorporating this College provides that the holders of Diplomas from all the Universities mentioned in section 4 of the said Act shall be entitled under the circumstances in said section 7, to the License of this College; that, pending adverse decision rendered in the Courts, this College continue in the future, as in the past, to grant all such holders of Diplomas the License of this College.”

The amendment, being put, was carried by a vote of 18 to 6.

The main motion, on being put, was lost on the same division, and the amendment declared carried.
