## Drug Reports.

Business keeps up well. Citric, taratic, carbolic and tannic acids are high, and may advance further. Bromides are all higher. Camphor keeps moving upwards. Glycerine gradually advancing. Chloride lime and caustic soda very firm at high figures. Demand for hellebore and par's green has commenced. Large demand for moth camphor balls; stocks at the moment are very light among jobbers. Quinine firm. No special change in values to note.

### English Market Report.

LONDON, May 15th, 1900.

The following goods are higher:

Gum camphor.

Carbolic acid.

Castor oil.

Linseed oil.

Cod liver oil.

Saffron.

Anise seed.

Those which have declined are:

Quinine.

Menthol.  
Oil anise.  
Oil cassia.  
Ergot.  
Buchu leaves.  
Sarsaparilla root.  
Quicksilver is somewhat easier in price but mercurials generally are unchanged. Opium is firm at former quotations. Glycerin remains firm. The position of iodine and its preparations are unchanged from our last report.

## IN HOT WEATHER COOLING DRINKS are DELICIOUS

## FIRE!

Notwithstanding the disastrous fire which partially destroyed our premises on the 4th inst., we are pleased to say that we are again in running order, and will be able to give the best attention to our customers' interests.

We thank our numerous friends for their great kindness and help in our distress.
