NON-SECRET MEDICINES

Were originated by us fourteen years ago, and are simply ready-made prescriptions for household use, pharmace-attently prepared without secreey or fraud. They entirely replace patent or quack medicines, with profit to the retailer and satisfaction to the conmuner. They are so d in every country and colony on the face of the globe.

In the preparation and putting up of a private formula in Pulatur, Powder, Liquid, or any other form, are cand of thetter, cheaper and more eleganting than the retail dealer can possibly himself. SEND FOR QUOTATIONS.
