YERS, NOTARIES, OFFICIALS, ABSTRACT  
MAKERS, INSURANCE WRITERS, CLERKS.

not abrade the paper.

Manufactured by

### THE MONROE ERASING CO'Y.

A Neat and Clean Set of Books is appre-  
ciated by good business men.

It Erases Ink in two Seconds.

The Eraser is in size and shape similar to  
a common lead pencil, and is used in con-  
nection with a small vial of common water  
which has a few grains of Chloride of Lime  
dissolved in it. The Pencil absolutely con-  
tains no poison of any kind, and is perfectly  
harmless when tasted. Is absolutely safe to  
use, and removes ink blots, fruit and other  
liquid stains without injury to paper or  
other delicate white materials, without  
abrasion. Writing can be erased in part  
or entirely, errors corrected, blots re-  
moved and the paper can be written on  
again as perfectly as though never used.  
To erase writing simply moisten the writing  
by wetting end of pencil and passing over it.  
Then apply a drop of the liquid either with  
reverse end of penholder or the cork which  
is in the vial.
