

AVIS.

Le sousigné informe le public en général que le commerce l'abandonne vu l'endormi-toire excessive qui est épidémique chez nous depuis mon mariage. J'espère que les pratiques éprouveront aucun chagrin vu l'extrême prénitence de reprendre aux pratiques chez mon voisin.

O. Delisle, Grocer,
Rue St. Jean Quebec.

Chère Etoile.

Toi qui a pour but la conservation du genre humain tout aussi bien que sa réformation nous te conseillons d'essayer à convaincre M. Arthur Drolet (alias beaver) commis-épicer chez M. J. A. Turcotte qu'il ne doit pas aller aussi souvent chez M. Davis confiseur qui est contraire à sa santé, car s'il ne veut pas écouter mes conseils, il aura encore des attaques d'hydrophobie, ainsi je te conseille de le surveiller merveilleuse étoile de mon cœur.

Esculape.

Les MM. Burton, menuisier du Faubourg St. Jean, commencent à prendre des forces depuis qu'ils ont fait travailler pour un scheling et trente sous de la toise, ils ont toujours la couleur de banqueroutiers.

Au prochain numéro nous commenceront la publication d'un roman que nous venons de terminer, intitulé: "Les aventures de la maison jaune du Bois Bijou et ses habitués," c'est dans ce drame que François Vézina va se voir affiché tout vivant comme rôle premier et les quelques débris restant de la rue Nouvelle.

NEW STANDARD ATLAS

OF THE

DOMINION OF CANADA.

This Atlas which has just been published by Messrs. Walker & Miles, of Toronto, has made its appearance. Hitherto we have had no Dominion Atlas worthy of the name. The one issued is as complete as a work can be, the maps being drawn from the best official sources, Canada now has an atlas of which its people may be proud. We venture to say, no more careful and comprehensive treatise on any country is to be found, than the letterpress attached to the maps.

It is not too much to say, that the new atlas is the finest publication of the kind yet issued in Canada, and it is to be hoped that the publishers will receive very hearty support from all classes, as to all classes the work is sure to prove useful.
