OUR N. Y. COFFEE.

What the Public Analyst, Dr. J. BAKER EDWARDS, says!

"This is to certify that, at the request of Messrs. McGibbon & Baird, I have examined an original package of their N. Y. Coffee; and upon analysis I find it to be not only *Genuine Coffee*, but also a Coffee of very superior strength and flavor, possessing, as the result of careful roasting, a *very fine aroma*."

What Customers say!

"I candidly admit your N. Y. Coffee to be equal in every respect to the Coffee one gets in the old country."

What we say!
