DR M'LANE'S Celebrated American

WORM SPECIFIC, VERMIFUGE.

SYMPTOMS OF WORMS.

THE countenance is pale and leaden-1 colored, with occasional flushes, or a circumscribed spot on one or both cheeks; the eyes become dull; the pupils dilate; an azure semicircle runs along the lower eyelid: the nose is irritated, swells, and sometimes bleeds; a swelling of the upper lip; occasional headache, with humming or throbbing of the ears; an unusual secretion of saliva; slimy or furred tongue; breath very foul, particularly in the morning; appetite variable, sometimes voracious, with a gnawing sensation of the stomach, at others, entirely gone; fleeting pains in the stomach; occasional nausea and vomiting; violent pains throughout the abdomen; bowels irregular, at times costive; stools slimy; not unfrequently tinged with blood; belly swollen and hard; urine turbid; respiration occasionally difficult, and accompanied by hiccough; cough sometimes dry and convulsive; uneasy and disturbed sleep, with grinding of the teeth; temper variable, but generally irritable, &c.

Whenever the above symptoms are found to exist,

DR. M'LANE'S VERMIFUGE Will certainly effect a cure.

The universal success which has attended the administration of this preparation has been such as to warrant us in pledging ourselves to the public to

RETURN THE MONEY

in every instance where it should prove ineffectual: "providing the symptoms attending the sickness of the child or adult should warrant the supposition of worms being the cause." In all cases the Medicine to be given in STRICT ACCORDANCE WITH THE DIRECTIONS.

We pledge ourselves to the public, that

Dr. M'Lane's Vermifuge DOES NOT CONTAIN MERCURY

in any form; and that it is an innocent preparation, not capable of doing the slightest injury to the most tender infant.

HONESTY THE BEST POLICY

Daily Experience confirms the truth of the pithy OLD ADAGE,

Honesty the Best Policy. The golden rule claims for itself universal application; and scarcely does it know an exception. By far the best is an

HONEST POLICY in all Business transactions. Could it be more in-

COMMERCIAL ELEMENT of the present day, we might soon triumph over the

absence of that TRICKERY AND DISSIMULATION which are so deplorably characteristic of this our

progressive age, and which militate so much against our TRADING INTERESTS.

C. KENNEDY, 31 St. Lawrence Street. In all his transactions, takes this as his Motto, "HONESTY THE BEST POLICY," and from the

great success resulting from his efforts to establish a Business on

He would, at the same time, remark that while yielding to none other in the quality of his Medicines and the care with which they are dispensed, the charges will only be such as are com-patible with a first-class article and a fair, honest profit. Being a believer in free trade in Physic, his store will be found equal to the wants of Allopa-thists, Homacepathists, Eclectics, Thompsonians, &c. with all the Patent Medicines of the day. As certain interested parties have circulated a rumor cre-diting him with having an interest in other drug establishments besides his own, he takes this op-portunity to say that it is simply untrue. Trusting that the favors of the past will be continued in the future he remains future, he remains
