TAPESTROLEA

is an aid to the architect where the scheme of color and interior decorative arrangements is carried out as part of the architectural plan. The variety of colorings and designs assist in producing the desired effect.

TAPESTROLEA Barlaps and Canvases are used in many notable residences and public buildings, where they give entire satisfaction. They are rich in color, durable in character, and economical in cost.

Special colors and designs in any width made to order. Book of samples furnished to architects. An illustrated booklet on the uses of TAPESTROLEA sent free on application.

Beware of Cheap and
Worthless Imitations of
TAPESTROLEA.
We are the Originators.
