Every Reader of The Varsity

should bear in mind that it is by selecting only the very best risks, and giving them the best policies that can be devised that THE TEMPERANCE AND GENERAL LIFE ASSURANCE COMPANY expects to be the best company for the best risks.

Its very low death rate indicates its care in the selection of its risks. Its policies are all that the utmost care can make them as absolutely equitable contracts between the company and its various risks.

Its record with regard to investments is unequalled.

These features constitute it the BEST COMPANY for the BEST RISKS. Correspondence is solicited.
