MR. MINISTER:

I have the honour to inform Your Excellency that the Government of the Most Serene Republic of San Marino is prepared to conclude with the Government of Canada an agreement worded as follows:

Citizens of the Republic of San Marino who wish to spend a short period in Canada *as tourists* and who have valid passports issued by the competent San Marino authorities, shall be granted by the competent Canadian visa officers, with the shortest possible delay and as little formalities as possible, ordinary non-immigrant visas, issued free of charge and valid for an unlimited number of entries into Canada during the 12 months following their date of issuance. 2. Canadian citizens who are the holders of valid Canadian passports may without a visa, enter the Republic of San Marino *as tourists* on a business or pleasure trip or travel there in transit, for a period not exceeding three consecutive months.
3. It is understood that San Marino and Canadian citizens entering respectively into Canada and San Marino will otherwise be subject to the laws and regulations of the aforesaid countries applying to foreigners at the time of their entry, and pertaining to the entry, residence, permanent settlement and work as an employee or in any business or professional capacity, whether such work is financially remunerated or not.
