

ARMS CONTROL AND DISARMAMENT STUDIES

Arms Control and Disarmament Studies are issued periodically by the Non-Proliferation, Arms Control and Disarmament Division of the Department of Foreign Affairs and International Trade. Their purpose is to disseminate the results of independent research undertaken for the Department as part of its ongoing work in this area.

The views expressed in these reports are those of the authors and do not necessarily represent those of the Department of Foreign Affairs and International Trade or of the Government of Canada.

The background graphic on the front cover represents the ongoing dialogue on arms control and disarmament issues in Canada and between Canadians and the world community.
