

- This MOU defines an assessment process for potential heritage value of crown-owned buildings abroad.
- DFATD surrendered surplus leased space in Panama City, Boston, Denver, Taipei and Kuala Lumpur. Downsizing projects were initiated in Lusaka and Kigali. Downsizing and co-location was investigated for Seattle, Detroit, Seoul, Tokyo, Dhaka, and Tunis.
 - The establishment of a U.K. official presence was provided for in the Canadian embassy in Port-au Prince; similarly, the U.K. provided space for Canadian representation in its compound in Baghdad. The U.K. also provided space for Canada in Yangon while the permanent Canadian chancery was being fit up before its opening in April 2014.
