K. M. Cameron, Esq.,
Chief Engineer,
Department of Public Works,
OTTAWA.

Dear Mr. Cameron:-

I have your letter of the 3rd of April, in which you are good enough to ask my wife and myself to attend the annual dinner of the Ottawa Valley Graduates' Society of McGill University next Wednesday.

Owing to this bothersome libel suit of mine my movements are too uncertain for me to make any definite promises. It is more than likely that I shall be in Toronto.

I wish the Society continued success and may I express my profound appreciation of the vigour it shews and the constant support it gives the University.

Yours faithfully,

Principal.
