

Sir Arthur Currie..... 2

Since it is desirable that a decision should be reached with regard to the action to be taken, I should be glad to have the members of the Executive indicated their opinions at as early a date as possible. If it is desirable, the members of the Executive might communicate directly with Principal Taylor of Queen's University. I shall inform him of any opinions which come to me directly from the Executive.

Yours very truly,

Q. H. Ling.
