

RESOLUTION OF THE SOCIETY.

That all future Grants, by this Society, for any purpose, may be re-appropriated as the Society shall think fit, if not claimed within three years from the date of the respective grants. (5th Report, page 8.)

RESOLUTIONS OF THE GENERAL COMMITTEE.

That the title to all Churches, towards the erection or completion of which any grant is made from the funds of this Society, be vested either in the Church Corporation of the Parish in which such Church is situated, or in some party or parties in trust to convey the site, as soon as practicable, of such Church to the Church Corporation as soon as the same may be legally constituted. (14th Report, page 24.)

That no grants from this Committee, subject to conditions, be paid until an order is issued from the Executive Committee, who will previously ascertain that the conditions of the grants have been fulfilled. (7th Report, page 21.)

That each Missionary receiving a salary from this Society, be requested to make an annual return to the Secretary, to be handed in by him at the first meeting of the General Committee, as follows, viz.:

The number of Churches under his charge.

The number of weekly or other stated services held in such Churches or stations.

The number of Communicants.

The average number of attendants.

The amount contributed in each Parish towards the support of such Missionary. (19th Report, page 24.)

RESOLUTION OF THE EXECUTIVE COMMITTEE.

That the Clergy be respectfully requested to pay to the Treasurer the amount of the semi-annual Collection, by or before the 30th day of June and the 31st day of October respectively. (20th Report, page 22.)

The Secretary begs to call the attention of the Missionaries to a resolution of the General Committee, with reference to their quarterly drafts on the Treasurer, the blank forms having been furnished as required.

Additional contributions have been received since the meeting of the Society in July, making the sum total for the half year £1,056 9s. 10d.

The Bishop requests the Clergy to be so good as to preach the Sermons for the Church Society in June and October; and, if possible, not to delay the second Sermon to the latter part of the month, as the weather is often unfavourable to a Collection.
