## TEN POINT RETURNS TO HIS EARLY FORM

Will Start at the Hamilton Meeting That Opens on Saturday.

That Hamilton will offer racing of very high class is assured, judging from the horses that are to sport silk at the coming meeting which opens on Saturday. Many of the best horses in training are already quartered at the track, while many stables from Windsor will move to the Hamilton Cup, the feature of the meeting, on Friday night. Including about a dozen from Kentucky, while several are coming from New York. Ten Point, the sensation of the year, who has been training at Hamilton since the spring meeting, is said to have returned to his early form judging from his recent work there, and he will make his only appearance in Canada during the Hamilton meeting, as he goes from there to Saratoga. The Birmingham Special Handicap for 3-year-olds at a mile and a sixteenth is to be run during the coming meeting, promises to bring together many of the best 3-year-olds in America among them. The Hamilton Cup, the feature of the meeting, the Widow Moon and First Sight. The closing day, is another race that will no doubt attract much attention and bring together a field of very high class. Everything is in readiness for the opening, and with fine weather the Hamilton Jockey Club should furnish the best meeting on the Canadian circuit this season.
