national amateur boxing championship tournament, which closed here tonight. W. Hanna of Toronto took the 175-pound honors across the border by winning a hard bout with 'Arthur Sheridan of Trinity Club. Brooklyn, half an hour after he had been defeated by Sheridan in a semi-final, extra-round bout of the heavyweight class. Sheridan's eyes were closed, and Hanna forced him to quit in the second round of the 175-pound class final. Sheridan then went into the final of the heavyweight class with this handicap, and, weakened by three hard previous bouts, was again bested after a slam-bang contest, by Patrick Kelley of Boston.

liversides. Heavyweight class—Patrick Kelley, The feature of the semi-final bouts was the elimination of Walter Hitchin of the Riverside A.C., Toronto, national champlon, in the 125-pound class. His defeat was accomplished by Vincent Pokorni of the Cleveland A.C. The boys fought toe to toe, exchanging punches freely, and at the close of their bout the advantage was small, but Hitchin smilnigly acknowledged that he was bested. In the semi-finals, 125-pound class, F. Blackledge, Riverside A.C., Toronto, gave Wm. Buckley of Chelsea such a great battle that it necessitated a referee's decision to give Buckley the honors, the judges disagreeing.

Thomas Barrett, St. John, N.B., was defeated by Patrick McCarthy of Boston in the semi-finals of the 145-pound class.

SOCCER NOTES.

Stanleys and North Riverdale fought to a draw in their third division game at Vermont Park on Saturday, and a stubborn fight was witnessed by the supporters by both teams. The game had not been in progress long when the Riverdales took the lead from a nicely-placed corner kick. This woke Stanleys up, and their forwards gave the 'Dales' defence plenty to do to keep their lead. A great shot by Turnbull missed by inches, but the same player had the satisfaction of getting Stanleys the equalizing goal soon afterward. The teams were even at half-time—one each. On resuming, Stanleys were all over their opponents, and but for a breakaway once in a while by the Riverdale forwards their goal was never in danger. Dutton had hard luck for Stanleys when he drove a beauty against the upright, and just missed, while Philips dropped a nice one on the crossbar. The final whistle sounded with a draw of one each, Preston, Trevorrow and Winterburn were the stars for Stanleys, and the Riverdales have a fine left wing. Next week Stanleys meet their old rivals, Robertsons, and it will be a ding-dong struggle for the points.

The game was excellent in every way. The Scottish forwards played a splendid game, but insisted on keeping the ball, instead of allowing their back division to have a hand in the game, which they were quite capable of doins. The West backs, however, were brilliant, playing together in capital fashion. Their passing was well up to standard, and their half-back. Bridgeman, played a splendid game. Baker scored the first try, which Vivian failed to convert. Score: West at 1 try (3 points), Scottish 0.

Martin raced from the centre line and made a great feint at passing, which completely deceived the Scottish fullback, and scored in an easy position, but again the kick at goal failed. Half-time: West of England 2 tries (6 points), Scottish 0.

the Y.M.C.A. and the Overseas for their fine work. Altho both of these teams were beaten, it was only by the small margin of nine points that the Welsh fifteen defeated the Y.s. Considering the strength of their opponents, this must be considered a fine achievement.

In the case of the Overseas, the defeat might seem rather heavy, but when it is pointed out that they played three men short, it will be seen that had they been at full strength the margin might have been considerably less.

A splendid game was played by the Irish and South of England teams. Both teams appeared to be in good form, and a draw of three points each was a good ending to a fast, exciting game,

The West of England scored a great victory over the Scottish boys, and well earned the two points. The Scottish forwards and the West backs seem to be the cause of the result. SECOND RACE—Royal Blue, Chan-
