York County and Suburbs of Toronto

WILL HAVE WATER SUPPLY BY FALL

New Toronto Forging Ahead With Waterworks and Sewers.

LARGE EXPENDITURES

Business of Hydro Commission Shows Satisfactory Increase.

The plans for New Toronto's water filtration plant and distributing system, prepared by E. A. James, of the firm of James, London and Hertzberg, Toronto, the village engineer, have just been approved by the provincial health department. Tenders have been accepted for the main part of the work, and the New Toronto Council is confident that all parts of the village will be supplied with water by the fall.

The filtration plant and pump house will be situated on the lake shore, on three lots recently acquired by the village, between Sixth and Seventh streets, and just west of the Grand Trunk pumping plant.

The intake will be between 800 and 1000 feet out in the lake. At the 800 feet point there is a depth of about 23 feet.

The main distributing pipe, which will be 10 inches in diameter, will be laid up Seventh street and along the Lake Shore road east and west. The side streets will be taken from these mains by means of pipes 6 inches in diameter. These will be laid on the local improvement system, and the necessary by-laws have already been passed. The village as a whole will pay one-third.

Big Stand Pipe. The stand pipe will probably be situated on New Toronto street, at the top of Sixth or Seventh street. It will have a capacity of 75,000 imperial gallons.

The laying of the mains on the Lake Shore road will delay the work of the highways commission, and it is not anticipated that the good roads work thru the village will be done this year.

For the work in connection with the water system, debentures to the amount of \$27,000, guaranteed by the County of York, have been sold at par, bearing interest at 5 per cent.

Some 40 hydrants for fire purposes will be required, and these will be on the City of Toronto pattern, so that the price of any second-hand hydrants occur, the village would have the assistance of the Toronto fire department. That such assistance should be necessary, however, is looked upon as a remote contingency.

The water tank will be erected by the Chicago Bridge and Iron Works at the price of \$10,000, and the contract for this work being completed in ninety days.

Intake Pipe. The 18-inch steel pipe will be supplied by the Thor Iron Works of Toronto, at a price per 20-foot length of \$45, and for laying this pipe at a price of \$1.50 per foot, including connections, of \$850.

The quotation of J. F. Curley includes the price of \$200 for the concrete pipe of line to same, and the price of \$200 for erecting timber crib and connecting pipe line.

The cast iron supply pipes will be supplied by the Canadian Alloys-Charms, Limited, at a total price of \$10,225.96, and the same firm will supply the hydrants, valves, and special fittings, at a total price of \$1,548.90.

Tenders for laying the pipes have yet to be considered, but the estimated cost to the ratepayers per foot frontage is \$7.

Sidewalk Contracts. Yesterday the contractor, Walter Buckworth of Toronto, started work on the cement sidewalk on the lake and the Shore Road between Mimico avenue and the Etobicoke limit of the village. When this part is completed there will be a continuous sidewalk from the eastern to the western limits of the village.

All the side streets running up from the lake are already provided with sidewalks on both sides, with the exception of Second street, and a fully signed petition for sidewalks on both sides of this street has been lodged with the council, and the construction by-law will probably be put thru at the next meeting of the council to be held on Monday, August 10.

Three-fourths of the village are already provided with sewerage, and at the next meeting of the council it is probable that a by-law for the construction of a sewer on Second street, from the Lake Shore road down to the Sewage Disposal Plant, will be passed. Four tenders for the work have been received.

Hydro Extensions. The village clerk, G. D. Scott, has received a letter from the Etobicoke Township council urging that the extension of the hydro line from Fourth avenue to Brown's Line, providing for 12 street lights, which was passed some little time ago, should be gone on with without undue delay. It is understood that a deputation of Etobicoke ratepayers will wait upon the New Toronto commission at its next meeting to urge the installation of domestic electric lighting in connection with this line. The petition pressing this matter, it is said, already contains some 45 or 50 signatures, and this petition will be presented to the council.

Since the beginning of the year, the new Toronto commission has obtained about 200 domestic customers. The new Toronto Hotel has become a commercial user, and Brown's Brass Forging Mills has contracted for 200 horse-power, while the H. S. & T. Claremont Citizens' Band.

PRIZES PRESENTED AT B. I. A. MEETING

Echo of Successful Picnic at Queenston Heights Last Week.

NEWS OF EARLS COURT

Wooden Bridge to Be Built Over Innes Avenue Crossing Soon.

The distribution of prizes won at the Sons of England and B. I. A. joint picnic, held at Queenston Heights, took place last evening in Little's Hall, Earls Court, Vice-President J. Burroughs making the presentation to the successful competitors.

The prizes, which amounted in value to over \$125, were varied and useful. Among the many who donated presents were Mayor Hocken, W. F. Maclean, M.P., Messrs. Appleghat, ex-Ald. McBrien, T. Foster, Whiting Bros., Edward Bros., W. E. Platt, Creedon and Blackburn, Salada Tea Co. B. Fairthorne and others.

A vote of thanks to the committee who worked so strenuously for the success of the picnic, and to the chairman, J. Burroughs, concluded the proceedings.

Innes Avenue Bridge. Acting Mayor McCarthy told H. Parfrey, president of the B. I. A., yesterday, that he had been informed that there were sufficient funds on hand to build a wooden bridge over the Innes matter thru the estimation and that he would see to it that the matter is carried out as quickly as possible.

A conversation under the auspices of St. David's Presbyterian Church Highland Club will be held this afternoon at the residence of Mrs. V. Hayward, 127 Lansdowne avenue.

Oakwood Meeting. The grand reopening of Oakwood Hall, which is now being redecorated, will take place on an early date. The usual meeting of the full in bath-payers' Association will be held in the hall on Aug. 5.

The Earls Court and Carlton Park playgrounds held a most enjoyable picnic at Kew Gardens yesterday under the supervision of Superintendent Wiseman, and the children enjoyed themselves to the limit in playing and swimming. Dinner followed and games were enjoyed until going home time.

Two Houses Sold. Mr. Langstaff has sold two brick dwellings on Earmcliffe avenue at \$700 each. These houses have just been erected and were built for Deputy Reeve Miller.

C. O. L. Alexander Muir Lodge, No. 257, will hold an ice cream social and concert in Silverthorne Hall, Friday, Aug. 7. A. Paris, W.P.M., will preside.

HUMBER BAY. Humber Lodge, No. 278, S.O.E., will hold a garden party and dance on the grounds of George Rush, Queen street, Humber Bay, on the afternoon and evening of Saturday, August 8. In the afternoon races and games, interspersed with other amusements, will be held, and a feature will be a ball game between the Swansea and Humber clubs. Supper will be served between the hours of 6 and 7 p.m., and dancing for which a charge for the gentlemen will be made, will begin at 8 p.m. A four-piece orchestra has been engaged. The proceeds from entrance, sideshow, dancing and refreshments will be applied in aid of the building fund.

FAIRBANK. Better police supervision and other important matters affecting the welfare of the district will be discussed at the next regular meeting of the North Earls Court and Fairbank Ratepayers' Association to be held in the clubhouse on Friday, Aug. 1. President J. W. Badams will occupy the chair.

AURORA. On Wednesday next the members of the Aurora Methodist Sunday School picnic to Jackson's Point via the Metropolitan Railway. Cars will leave Aurora at 9 a.m. and at 7 p.m. The point on the return journey. A big program of sports has been arranged and as Wednesday is the Aurora's civic holiday it is expected that a large crowd will be present.

WHITCHURCH TOWNSHIP. The Whitchurch Township council has decided to construct a concrete bridge over the creek at Pearson's crossing, on the side road about a mile south of Newmarket. The contract has been let for the structure, which will cost \$3000.

ETOBICOKE LODGES PLAN BIG UNION EXCURSION. The 28th annual grand union excursion of the following lodges: Minioo Lodge, A.O.U.W., No. 219; A. F. and A. M., No. 382; Bradford Lodge, S.O.E.B.S., No. 91 and Court Wellington, I.O.F., No. 1282, will be held on Wednesday, August 12, going via Great George Route by the regular steamers at 7:30 a.m., 9 a.m., 11 a.m. and 2 p.m., and returning by the International Railway, and leaving Lewistown by the 6 p.m. or 7:30 p.m. steamers.

HIGHLAND CREEK. "Salads and Their Preparation" will be the subject under discussion on the menu of the Highland Creek Women's Institute on Wednesday, Aug. 5, at the home of Mrs. John Graham, Rouge Hill. The meeting has been called for 2:30 in the afternoon.

SWANSEA. Swansea Lodge, S.O.E.B.S., No. 310, will hold a garden party this afternoon and evening on the lawn at the corner of Colborne street and Loring avenue. Amusements, old country sports and refreshments form the features of the program, and the Swansea Brass Band will be in attendance.

RUSSIAN KILLED BY FALLING BEAM

Stephen Kapachemsky Met Death When Girder Broke Loose.

Half an hour after starting work in the Canada Foundry on Lansdowne avenue yesterday morning, Stephen Kapachemsky (or Capen), a Russian, living at 1011 Keele street, ironworker, was almost instantly killed. The man was working in the casting works, beneath one of the huge carrying cranes, and one of the heavy iron girders, which were being transferred to another part of the works, broke and fell, striking Capen on the right temple and shoulder.

The man was knocked prostrate. A moment afterwards he sprang to his feet and walked about five yards, then fell to the floor, dead.

Inquest Opened. Dr. Mooney, the foundry's physician, of Perth avenue, was immediately summoned, but death must have been almost instantaneous. The body was removed to the city morgue, where Coroner Russell opened an inquest last night. The funeral will be held from Speers' undertaking parlors this afternoon to Prospect Cemetery.

COMMISSIONER CHAMBERS INSPECTS PARK SITE

Viewed Properties on Bathurst Hill Proposed by Hillcrest Association.

Yesterday forenoon Park Commissioner Chambers, accompanied by President J. U. Warren of the Hillcrest Association, visited J. C. Eaton's grounds, Connaissance Home and other properties in the Bathurst Hill district, recently suggested for a scenic park and recreation ground. The park commissioner expressed himself as being in his opinion the sites are the only suitable one in the locality, as there are beautiful trees on the property which could be displayed to advantage with park planning.

MADOC MINISTER CALLED TO MARKHAM VILLAGE

Zion and St. Andrew's Congregations Made Decision at Joint Meeting.

At a joint meeting of Zion Cedar Grove and St. Andrew's Presbyterian congregations, Markham, a unanimous decision was reached by Rev. Mr. Graham of the Zion church, who was first chosen but he refused the call. The Markham branch of the E. Y. W. will hold their regular meeting on Wednesday next at the house of Mrs. J. Jarvis, Locust Hill. The members will discuss the best means of making house work lighter.

The members of Zion Church, Cedar Grove, will hold their annual lawn social on the church lawn Thursday evening next. Tea will be served from six to eight, after which an excellent musical program will be given by Miss Eva Green, elocutionist; Melville Male Quintet, and the Malvern Orchestra.

W. D. Martin, agent for the Upper Canada Bible Society, will lecture on "Bible Distribution in Canada," at the meeting of the Markham branch of the society at their annual meeting in the Presbyterian Church on Monday evening.

LUMBER DEAL CHARGES TO BE DISCUSSED AGAIN

Joseph Larmon, real estate agent, Fairbank, informed The World yesterday that he read with considerable surprise and dissatisfaction, the statements made by Deputy Reeve Miller and Councillor William Graham at a meeting of the West Fairbank Ratepayers' Association on Tuesday evening, in reply to the charges made by J. Nudd regarding a lumber deal put thru by the township council.

"Since Deputy Reeve Miller has brought my name into the matter, without informing me of his intention to do so, and giving me an opportunity to be present, to verify or controvert his assertions," said Mr. Larmon, "I will be present at the next meeting of the West Fairbank Ratepayers' Association and I trust that Deputy Reeve Miller, Councillor Graham, Commissioner Snider and Road Foreman Waite will also be present and the meeting will hear my account of the lumber deal."

CLAREMONT

Under the auspices of the Erskine Presbyterian Church a monster garden party will be held at the home of Mr. Graham, one mile west of Claremont on Aug. 4. Refreshments will be served from 5:30 to 8 o'clock. Addresses will be given by Rev. A. S. Orton, B. D., John Mutch and R. Ferris, M. A., and a first-class entertainment by Elwood Genon. Clouston, and Broadview Presbyterian Mixed Quartet and local talent. Sectional lectures will also be given by the Claremont Citizens' Band.

TWENTY THOUSAND MEN COULD LEAVE

Hundred Thousand Canadians Would Follow in Less Than Month.

BRITAIN WANTS WHEAT

War Office Asks How Much Canada Can Supply This Year.

By a Staff Reporter. OTTAWA, July 31.—It is reported here that the Duke of Connaught will return to Ottawa as soon as if Britain is drawn into the war, in order to aid in the mobilization of Canadian troops. His long and distinguished military experience would be of great value.

It is also understood that a message will be sent to the imperial authorities tomorrow that Canada will be ready to send 20,000 men at the earliest possible moment and 100,000 men within a month if they required. The war office today cabled the Canadian Government to let it know how much wheat Canada would be able to send to Britain this year. The Russian wheat crop cannot be depended on by the war office this year if the war goes on.

EVERY EGG HAS ITS OWN FLAVOR

It May Vary From a Sweet and Wholesome One to Most Objectionable Kind.

Nearly every egg has its own flavor, and that flavor may vary from a sweet and wholesome one to a most objectionable one. There are comparatively few people who can distinguish any particular difference among eggs, and although the quality of all new-laid eggs is fairly uniform, there is much difference in flavor even in eggs produced on the farm. The average farmer or producer does not distinguish any difference in flavor between summer and winter eggs. The eggs as they are more in favor than eggs fresh on the farm. The longer eggs are kept after they are laid the more pronounced will be unpleasant flavors. Especially is this the difference in favor of a summer new-laid egg and the article as served on the city table very great. The heat of the summer makes transportation very hard on eggs, and while they are still good in flavor will be slightly off. Summer eggs have a better taste than those which are laid in the winter. In the summer the birds have access to green food, and this will always improve the flavor of the eggs. The poultry man should make a practice of having a good supply of well-cured alfalfa or hay cured green to feed his fowls in the winter, as besides improving the flavor of the eggs it also improves the general health of the birds. If the birds are allowed to have the run of the barn yard a decided difference will be noticed in the flavor of the eggs. Fish scraps and

away from such bad influences as the manure pile the eggs will show the result of the extra attention.

KAISER'S AMBASSADOR MAY LEAVE PARIS SOON

French Government So Interprets Declaration to It Made Yesterday.

Canadian Press Despatch. LONDON, Aug. 1.—The Daily Telegraph understands that the German ambassador yesterday made a declaration to the French Government which is interpreted as an announcement of his early departure from the French capital.

TO REFUND DEPOSIT.

Altho at a previous meeting of the city council it had been designated as a dangerous precedent, the council yesterday authorized the board of control to introduce a by-law authorizing the city treasurer to refund a deposit of \$1,495 which accompanied a tender submitted by the Britnell Company for the construction of a pavement on Eastern avenue and which was afterwards withdrawn.

CITY TO OPEN BUREAU.

Despite an attempt made by Ald. Winton to prevent the city opening up information bureau in the exhibition district during exhibition weeks, the city council yesterday decided against a \$500 on the proposition.

Ford
THE UNIVERSAL CAR

Buyers to Share in Profits Lower Prices on Ford Cars

Effective from August 1, 1914, to August 1, 1915, and guaranteed against any reduction during that time.

Touring Car \$590
Runabout 540
Town Car 840

F.O.B. Ford, Ontario—in the Dominion of Canada Only.

FURTHER we will be able to obtain the maximum efficiency in our factory production, and the minimum cost in our purchasing and sales departments IF we can reach an output of 30,000 cars between the above dates. AND should we reach this production we agree to pay, as the buyer's share, from \$40 to \$60 per car (on or about August 1, 1915) to every retail buyer who purchases a new Ford car between August 1, 1914, and August 1, 1915. For further particulars regarding these low prices and profit-sharing plan, see the nearest Ford Branch or Dealer.
