dition and place of residence of the owner shall not be inserted in the certificate of enregistration; the owner of such boat or other small craft shall, for every such offence, incur a penalty not exceeding ten pounds, current money of this Province.

Ordained 11th June. 1833.  
Sanctioned 19th April, 1834.

Steam boats  
plying between  
Quebec and Mon-  
treal are to keep  
the right hand  
side of the Chan-  
nel.

Whereas from the great increase in the number of steam boats plying between Quebec and Montreal, it has become necessary to provide against accidents by collision or otherwise, it is ordered that all steam boats, when within the limits of the port of Quebec, or going up the river, shall keep the north or right hand side of the channel, and that all steam boats when within the said limits, and coming down the river, shall keep the south or right hand side of the channel.

Penalty.

And the master or person having charge of any steam boat, who shall neglect to keep the proper side of the channel as hereinbefore directed, shall, for every such neglect, upon conviction thereof, pay a fine not exceeding ten pounds, current money of this Province.
