

Face, hidden from our sight by the tears and Blood with which our sins have stained it..... oh ! may the contemplation of Thy humiliations, suffered for our sake, make us to hide ourselves in shame and long to be cleansed from all that separates from Thee.

My Jesus, Mercy .(3 times) for the holy souls.

#### VII. STATION.

##### THE SECOND FALL OF JESUS

We adore Thee .....

Because .....

O Jesus, as Thou dost again sink, weary and Blood stained under Thy Cross' weight loaded with our sins...  
.....we draw near with renewed fervor to pray for our share in Thy sufferings ; and a generous courage to bear our burdens— through the flowings of Thy life-Blood along the  
Way of sorrows.
