

From MR. W. H. HARRISON, Principal Gouin School of
Languages, Winnipeg.

I am so pleased with the Analytical Method that I shall have
the greatest pleasure in recommending it to all my pupils for
whatever language they are seeking to acquire.

From MR. J. BAXTER, M.D., Chatham, N.B.

"Your method entirely fulfils my idea of the way in which a
language should be taught. I heartily recommend the system to
all students as the best I have ever met with."

From MISS E. A. MERRILL, Chiselmurst, Ont.

I am perfectly satisfied with your Latin course. All I deplore
is that my ability is not equally as good.

From MR. P. G. MCPHERSON, Principal Public School,
Bolsover, Ont.

I have not been able to do your course even a slight degree of
justice, but I believe it is a boon to all students and especially to
school teachers.

From MR. J. D. GRATTON, Principal Public School, Embarras,
Ont.

I am very well satisfied with your method. If, as people
claim, Latin is hard to learn, you have certainly found an easy
way of doing a hard thing.

From MISS EDITH DARLING, Teacher, Sussex, N.B.

I consider your method excellent and shall recommend it at
every opportunity.

From MR. GEO. E. REVELL, Rossland, B.C.

I can thoroughly appreciate the ease of your French method.
It is indeed a rational method.

From MR. E. O. PLATT, Plainfield, Ont.

I think your method is the best I have ever seen.

MR. R. C. ROBINSON, Principal Public School, Russell, Ont.

I studied Latin about five years ago for my primary certificate
and did not learn as much in those two years as I have done in
the past two weeks, thanks to your admirable system.
