

THE HISTORY OF CANADA

The composition is of a character to render the subject fascinating to the young as well as the more advanced reader. — *Montreal Daily Witness*.

The first complete work of the kind — the first that has dealt with the whole of the period during which the Dominion has been the home of European settlers. — *London (England) Saturday Review*.

Mr. McMullen's work is evidently that of a truth-seeking and truth-loving historian. — *Edinburgh (Scotland) Evening Courant*.

We are glad to see this history — by far the best English Canadian history, appear in new form, and continued to the present time. — *Montreal Daily Gazette* (as to second edition).

Mr. McMullen's work is a model of perspicuous writing and judicious condensation of material. — *Glasgow (Scotland) Daily Herald*.

It is one of the most valuable books we have seen for a long time. — *Cobourg Sun*.

Mr. McMullen has acquitted himself honourably in the performance of the duty assumed by him, and has, at the same time, conferred a lasting benefit on the country at large. — *St. Catherine's Journal*.

Mr. McMullen's style is unaffected and terse, and the impression he leaves on the reader is that of a conscientious man endeavoring to convey an accurate idea of the subjects he deals with. The work is well printed and bound, and we trust its sale may be sufficiently extensive to afford adequate compensation to publisher and author. — *Huntingdon Gleaner*.

The "History of Canada," by J. Mercier McMullen, of which a third edition has just made its appearance, has always been prized for its honesty and independence. On its first appearance, the *Gazette* greeted it as the best English history of our country. It was also the most comprehensive, for it brought the record down from the first known discovery by Europeans to the date of publication. — *Montreal Gazette*.

We regard it as a valuable addition to the literature of Canada. . . . The book should be upon the shelves of every Canadian. — *Carlton Place Herald*.

It is a very attractive work, and contains a vast amount of information, presented in a vigorous, most readable, and popular form, on a subject which should be of prime importance to every Canadian. — *Prescott Telegraph*.

We have no hesitation in recommending this history to our readers. It is a very compact, succinct, and exceedingly valuable book. — *Pictou Gazette*.
