

"Double the Amount"

would have meant double the satisfaction," said a highly pleased Policyholder a few days ago, when receiving the returns of his Policy the day it was due. "The fact is, I consider this Endowment Policy the best investment I ever made, and I could easily have saved considerably more than double the amount of the annual deposit. From the moment I received the Policy, I enjoyed a feeling of security, knowing that in the event of anything happening, my family would be provided for. My advice to all young people is to 'play safe' and carry a guaranteed policy with The Manufacturers Life Insurance Company."

\$250,000 FIRE AT BRITISH FORGINGS

Firemen Work in Teeth of Gale—Power Plant Saved.

Fire of unknown origin broke out in the forging plant of the British Forgings Co., Ashbridge's Bay, early yesterday morning, completed gutted the forging plant, and partly burned the annex to the plant. The damage is estimated at \$250,000, and according to the officials of the company, the loss might have been much greater had it not been for the efficient work of the city fire brigade.

The inspection sheets for the day

QUIT MEAT WHEN KIDNEYS BOTHER

Take a Glass of Salts if Your Back Hurts or Bladder Troubles You.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms urea acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys, or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast, and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weaknesses.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

show that everything had been all right at 5.45 a.m., but in 15 minutes the whole forging plant was in a blaze. The firemen maintained by the plant were on the scene two minutes after the alarm, but seeing the fire was beyond them, they sent in a call for the fire department.

District Chief George Sinclair, who was the first executive officer to arrive at the fire, sent in a call for the rest of the apparatus, which brought out Deputy Chief Russell and Chief Smith. The firefighters were considerably handicapped by a heavy gale which blew over the lake, and made the task of the men doubly hard in approaching the building.

Within 30 feet the forging plant stands the power house, and in it are two large oil tanks; but this and all adjacent buildings were saved by the firemen, who had more than 20 streams of hose playing on the fire, one of the engines pumping its water from the bay.

In view of the fact that the munition work on which the plant was engaged as will soon terminate, the fire will not throw many employees out of work, most of them having already been laid off.

"THE HOTELS OF THE CENTURY."

The Grand Trunk System has created a chain of magnificent hotels to serve the travelling public and cater to the social life of the large Canadian cities. In convenience, design, construction and furnishings they have set a new standard for the Dominion of Canada. They are, in every sense, great hotels, enjoyed by specialists of wide experience. When you plan your transcontinental or other trip, you will be well advised to arrange a stay at these hotels. In the City of Ottawa there is the Chateau Laurier, one of the most beautiful hotel buildings in America. Connected with the Grand Trunk Central Station by an electric-lifted subway. The Chateau has three hundred and fifty bedrooms, all "outside" rooms, commanding splendid views of the Provinces of Quebec and Ontario, in the City of Winnipeg, on the site of the old Fort Garry of frontier days, there is The Fort Garry. It has a total of three hundred rooms, and confidently challenges comparison with any of the famous hotels of the continent. In the capital city of Alberta, Edmonton, on a site overlooking the Saskatchewan River, is The Macdonald, another notable link in this chain of hotels built for public service. A reservation at The Chateau Laurier, The Fort Garry, or The Macdonald is a guarantee of your enjoying throughout every hour of your stay the fine art of good service, combined with surroundings of quiet elegance, while the rates at these hotels are most moderate. For further particulars apply to any G.T.R. agent, or C. E. Horning, D.P.A., Toronto.

Capt. Malcolm Owen, M.C., son of Alfred B. Owen, manager for Canada of Dr. Barnard's Homes, is reported to have been killed in action. He leaves a wife, who resides at 213 Howard Park avenue.

MILITARY ASK FOR CURTISS' FACTORY

Also Plan Use of Rosedale Clearing Station for Sick Soldiers.

A recommendation has gone from Major-General Legie to Ottawa that the Curtiss airplane factory on Dufferin street, which is to be vacated in January, be taken over as a demobilization and casualty clearing station for use in handling the soldiers returning from overseas. Five thousand soldiers, it is estimated, could be accommodated in the Curtiss group of buildings.

The announcement was made simultaneously with one that owing to the urgent demand for increased military hospital accommodation in Toronto district, the \$2,000,000 group of new casualty clearing station buildings in North Rosedale, now practically completed, the recommendation has gone to Ottawa for the clearing station buildings to be used as hospitals, pending the arrival of the new hospital group on the St. Andrew's College grounds.

The clearing station buildings in North Rosedale will accommodate about 5000 soldier-patients when transformed into hospitals.

GENERAL LOGIE THANKS CITY FOR CO-OPERATION

When interviewed yesterday by the press regarding his retirement from the command of Toronto military district, Major-General W. A. Logie, C.B., made the following statement:

"In laying down the command of military district No. 2, after of the four years' work, I desire to express the thanks of myself and the officers who have been associated with me on the district headquarters staff, to the mayor and corporation of the City of Toronto, to the chairman and trustees of the board of education, and to the press and citizens of Toronto for the hearty co-operation and support which these headquarters have had during my tenure of command."

"The City of Toronto has reason to be proud of its efforts in providing men and money to prosecute the war. More than one-quarter of all troops overseas came from this district, and the record of all ranks at the front is one to be proud of."

"I would ask those men who are returning and being discharged to resume their civil occupations as quickly as possible, remembering that all grievances, whether real or not, should and can be adjusted by constitutional means."

"To the relatives of those who have fallen I extend my deepest sympathy, trusting that time, the great healer, and the recollection of their glorious sacrifices, will be their consolation and pride."

SICK CHILDREN'S HOSPITAL GRADUATION EXERCISES

Graduation exercises at the training school of the Sick Children's Hospital, held in the nurses residence last night, were punctuated by pride in the records of the nurses of the institution during the war.

Fifty-five of the nurses have served overseas, two received the Royal Red Cross of the first class, three the Royal Red Cross of the second class, two have been mentioned in despatches, and one has been given an honorary membership in the British Red Cross Society.

Sir Edmund Ogier presided at the exercises, which were opened with prayer by Rev. J. B. Paulin. The pins and diplomas were presented by Mrs. A. J. Robertson, the scholarships by Mr. L. Col. Clarence Starr. The prizes were distributed by Dr. Allen Barnes. The yearly report was read by the superintendent, Miss P. J. Potts, and a short address was given by Hon. Dr. Cody. The list of eighteen graduates is as follows:

Miss Ida Barry, Toronto; Miss Louise Denan, Cobourg; Miss George Clarke, Elora; Miss Florence Curry, Campbellton, N.B.; Miss Edith Harvey, Toronto; Miss Agnes Irving, London; Miss Ulricha Sparnum, Smith's Falls; Miss Audrey Bachus, Toronto; Miss Florence Barnes, Toronto; Miss Elizabeth Barr, Lindsay; Miss Bessie Evans, Toronto; Miss Flora Jackson, Lindsay; Miss Helen McKim, Smith's Falls; Miss Jessie Murdoch, Collingwood; Miss Marguerite Patterson, Warrington; Miss Annie Rodgers, Toronto; Miss Annie Waddell, Toronto; and Miss Violet Whalen, Penetang.

SOLDIER CHARGED WITH BIGAMY

Fred McKinley, a returned soldier and a patient in one of the city military hospitals, was arrested yesterday by Morality Officers Kerr and Lawlor on a charge of bigamy. According to the police, McKinley married in 1913, left his wife in 1915, and married Annie Woodcock in Bobcoveg in 1916.

MONTH-OLD BABY'S ACCIDENT.

Phyllis Solesinger, age 1 month, living at 26 Mulberry avenue, sustained a fracture to her right leg last night when she had a fall at her home. She was taken to the Hospital for Children, and the hospital authorities report that she is doing nicely.

New Government Building Nearly Ready to Move Into

The building next to The World on West Richmond street, which will be occupied by the provincial government, is being rushed to completion. Enquiries made at the department of public works yesterday brought the information that it will be ready for occupation early in January. The bureau of moving pictures for the education department. The work of these departments will be co-ordinated. The other departments which will have their homes on Richmond street, instead of at the parliament buildings, have not been elicited yet.

76 MOTORISTS SUMMONED.

Seventy-six motorists were summoned by the Toronto-Hamilton highway court held in the Foresters' Hall, College street, yesterday, for exceeding the legal speed limit, but only four appeared. All pleaded guilty. The following fines were imposed: G. C. Edwards, \$10; John McGill, \$5; W. Till, Messrs. Welch and Son, \$1. Several cases left over from highway courts of motorists who ignored the summons were dealt with, and they will all pay \$10.

Magistrate Davidson dismissed those who were first offenders and who exceeded the law on peace day.

GAVE GUARDS INCREASE.

Refused their contention that, under the award of the recent civil arbitration, they were entitled to an increase of \$1 a day, the guards at the city hall, who are under the supervision of the police commissioners, were yesterday told they would get the increase. The decision to give it to them was done in record time.
