THE FEDERATION OF LABOR.

Puerto Rico Branch Asks for Freedom of Speech, Assembly and Press, and Other Things.

THE BRITISH DELEGATES HEARD.

Telegrams From the W.C.T.U. Asking the Federation to Help Suppress Liquor Traffic.

Louisville, Ky., Dec. 8.—At today's session of the American Federation of Labor convention considerable business was transacted, but some reports were not forthcoming. The principal business of the morning was the reading of the Legislative Council's report.

An appeal was read from the Federation of Labor of Puerto Rico asking for "Freedom of speech, assembly and press," and that a committee be sent to the island for the purpose of completing organization.

A telegram was read from the W. C. T. U. at Washington asking assistance in putting down the liquor traffic.

Report of Executive.
Second Vice-President Duncan read the report of the Executive Council, which was quite lengthy. It reviewed the action of the national and international union for the past year, criticized the treatment of the street railway employees in St. Louis during the street railway strike in that city; the action of the International Brotherhood of Teamsters in the strike against the right of American citizens to work without hindrance; cited the reduction of the working hours of women workers to eight hours, and increased average wages 15 to 20 per cent. in the United States and Canada. The report was referred.

Time Limit.
A resolution was adopted fixing the limit of time to June 1, 1901, for the expulsion of dual and second local organizations by the Chicago Federation of Labor and other central bodies.

A resolution was adopted instructing the Federation to assist the International Association of Machinists in their fight against a change in the department rules, whereby they shall be held in place under which machinists are employed, who shall receive the standard rate of wages.

A resolution was adopted instructing the state branches of the Federation in each state to petition the Legislature for a change in the constitution providing for the submission to the people of the constitutional amendments on petition of voters and instructing the executive council to ask for like amendments to the federal constitution.

British and Canadian Delegates.
The greater portion of the afternoon session was taken up by the Journal presentation of Fraternal Delegates John W. Orr, general secretary of the Scottish Miners' Association of Scotland; Peter Curran, chairman of the General Federation of Trade Unions of Great Britain; and David A. Carey of the Canadian Trades Union Council, and a short response by President Gompers.

Walter Vrooman, founder of Ruskin Hall, in Oxford, Eng., and Trenton, Mo., made an address in behalf of the movement in which he engaged.

Reply to the W.C.T.U.
A resolution was adopted in response to the greeting of the W.C.T.U. at Washington, that the Federation accept the good will of that body and "extend hearty cooperation in the good work in which they are engaged," and asking that the W.C.T.U. in turn manifest sympathy with organized labor by giving patronage to union labels in every trade.

It Don't Pay to Buy Drinks.
For the boys—it don't pay to buy drinks for yourself. It will pay to quit, but the trouble has been to do this. My vegetable cure will absolutely remove all desire for liquor in a couple of days, so you can quit without any self-denial, and nobody need know you are taking the medicine, which is perfectly harmless, pleasant to the taste, and from the start produces good appetite, refreshing sleep, steady nerves, and does not interfere with business duties. FIFTY YEARS OF CHARITY

Jubilee Celebration of the Foundation in Ontario of St. Vincent de Paul Society.

ARCHBISHOP O'CONNOR'S PRAISE.
Letters of Congratulation From Mgr. Falconio and Others—The Old Stanley-Street School.

THINKS FRANCE CAN BEAT BRITAIN.

Intimates That Officers Are Prepared and That There Will Be No Bunting.

The golden jubilee of the foundation in Ontario of the Society of St. Vincent de Paul was solemnly celebrated yesterday in St. Michael's Cathedral. There is a confession, or branch, of the society in every parish of the city, and the various parishes were all represented at yesterday's festival. The total representation at the 8 o'clock mass was over 200, being the largest gathering of members of the society ever assembled in the city. This mass was celebrated by Archbishop O'Connor, at whose hands the members all received holy communion.

The appearance of the cathedral was very impressive. The great altar was festooned with the papal colors, and the walls, pillars and ceiling were hung with banners, shields, pictures and mottoes emblematic or expressive of the faith and the great charitable society of the laymen of the Catholic Church.

After the mass the congregation was addressed by Archbishop O'Connor on the words of Paul's Epistle to the Romans, iv. 4-8. "Now the God who fills us with all joy and peace in believing; last year may be about in hope and in the power of the Holy Ghost." The Archbishop said that no more fitting words could be addressed to the members of the St. Vincent de Paul Society upon the occasion for which they were gathered, or more expressive of his own feelings. He spoke of the Christian example given by the members of the society, an example of spiritual life and charity, which he had seen in Toronto, with one exception. They were all men whose lives were a beacon to those who knew them. The Archbishop asked the members of the society to be true to their souls a high ideal of the duty of a St. Vincent de Paul. Their charity should be humble, their hands should be clean, their hearts should be pure, and their feet should be swift. He added that nothing in which he had taken part since coming to Toronto had given him the joy which he experienced at this gathering of so many members of the society kneeling together in the communion rail.

All the members gathered together in the rooms of the St. Nicholas Institute. The Archbishop was heartily greeted by the members of the society, who were all present. The Archbishop then read the minutes of the last meeting of the society in Toronto. The first of these minutes was the report of the Archbishop's visit to the city of St. Louis during the street railway strike in that city; the action of the International Brotherhood of Teamsters in the strike against the right of American citizens to work without hindrance; cited the reduction of the working hours of women workers to eight hours, and increased average wages 15 to 20 per cent. in the United States and Canada. ALL RIGHT IN BISCUITS

But a Poor Medicine.

Common sense is all right in its place and indispensable in the kitchen and for cooking and washing purposes, but soda water is not common sense in the medicine line, where it is used as a remedy for indigestion or flatulence.

The common use of soda to relieve heartburn and sour stomach is a habit which thousands of people practice daily, and one which is fraught with danger, as it gives only temporary relief, and in the end the stomach trouble gets worse.

The soda acts as a mechanical irritant to the walls of the stomach and bowels, and causes an accumulation of mucus in the intestines, causing death by inflammation or peritonitis.

Dr. Harlandson recommends as the safest and most reliable cure for indigestion (acid dyspepsia) the daily use after meals of a vegetable preparation, sold by druggists under the name of Stuart's Dyspepsia Tablets. These tablets are large 20 grain lozenges, pleasant to the taste, and contain the natural pepsines and digestive elements necessary for good digestion, and which all weak stomachs lack.

Stuart's Dyspepsia Tablets, used regularly after meals digest the food promptly and thoroughly before it has time to ferment, sour and poison the blood and nervous system.

Dr. Wuerst states that he is invariably cured by Stuart's Tablets in all forms of stomach derangement, and finds them a certain cure for indigestion, and a healthy appetite, increase flesh and strengthen the action of the heart and liver.

They are not a cathartic, and contain no violent drug, but are intended only for stomach diseases and faulty digestion, and generally acknowledged as the most reliable cure for any stomach trouble except cancer of the stomach.

Stuart's Dyspepsia Tablets now enjoy an international reputation and popularity, and are sold by druggists in Canada and Great Britain.

The next big fight among the heavyweights will be held at Philadelphia on Dec. 17. It will be between Peter Maher and Gus Ralston, both of whom are to be six rounds. Both men met in New York last year, and Maher was victorious in a round contest. It was declared a draw.

The members of the Grange, take an early opportunity of extending our congratulations to you on your success in obtaining the position you held, and know how glad we are to see you in the House of Commons.
