Tecumsehs 5, St. Catharines 1.

The Tecumsehs put a crimp in the championship aspirations of the Athletics of St. Catharines, when they defeated the Garden City veterans by 5 goals to 1 at the Island oval on Saturday in a Senior C.L.A. match.

The game was fairly fast, and in the field and on the defence the Athletics put up a good argument, but after the first game, which went to the visitors, Grimes, Griffith, Graydon and Clark had their home completely smothered, and they were never dangerous. Referee McMillan had little difficulty in keeping the game clean, as there was little inclination on the part of the players to mix it up, but as a result of his watchfulness Elliott was sent to the fence three times, Griffith and Harris were sent off together twice, and Durkin was given a short rest in the last quarter. The visitors jumped into the game at the start as if they meant business and had considerably the better of the first game, which sleepy Harris managed to score after 12 1-2 minutes' play, but after that the home seemed to have a bad attack of stage fright, and the remaining five games went to the Indians, Greatrix taking three, and O'Connor and Durkin one each. Summary:

Montreal Beat the Caps.

Montreal, Aug. 17.—Montreal succeeded in defeating the Capitals on Saturday afternoon by 3 games to 2. The teams were as follows:

Capitals (2): Hutton, goal; Baldwin, point; Ralph, cover-point; Fagan, Stewart, Binks, defence field; Watts, centre; Westwick, E. Murphy, Powers, home field; Shea, outside home; Elyth, inside home; McIntyre, captain.

Montreal (3): Tierney, goal; Taylor, point; Pierce, cover-point; Strachan, Davidson, Marshall, defence field; Brodie, centre; Hamilton, Mathews, Haynes, home field; Meldrum, outside home; Brown, inside home; Carlind, captain.

Referee—W. Foran, Ottawa.

The first game was a surprise. Montreal took the aggressive at once. The ball was put over the nets and went behind. Meldrum passed over the nets, and then Brodie got the ball and scored. Time 1½ minutes. The second game was a long one. It lasted 12 minutes and Montreal played a fast, strong game and kept the Capitals guessing all the time. In fact, they had far the better of the game. The play was all on the Capital nets. Nevertheless the unexpected happened. Binks sent a long shot in from centre and Powers scored on a low grounder that Tierney failed to stop.

The third game was an even one. Each goal was alternately in danger. But finally Marshall brought the ball up. It went to Brown on a cleverly intercepted pass, and then to Hamilton, who scored. The fourth game opened with Montreal on the aggressive. But they missed chance after chance. They were too slow in shooting. Still the game was very even. The cool judgment of the Capitals was balanced by the extra speed and superior stick handling of the Montrealers. Meldrum shot the ball on the Capital poles and struck one of them and bounded out. Brown rushed in and scooped the ball into the net.

The fifth was a fine one. Montreal held their own well. But their home seemed unable to shoot and finally Ralph ran clear down the field from his place at cover-point and scored the second and last game that the Capitals were destined to score.

The sixth game was simply a struggle to keep the Capitals out. Montreal simply bunched in on their flags and held off the Capital team until time was called.

Orillia Beat Oshawa.

Orillia, Aug. 16.—Orillia defeated Oshawa in a closely-contested game of lacrosse here to-day by the score of 3 to 2. Great interest was manifested in the game, as it displayed the relative strength of the Northern and Southern Clubs. The Orillia team, which is composed entirely of home brews, deserves great credit for the showing it made against the fast Oshawa team, champions of District No. 3. During the first three quarters both teams displayed very fast work, the score at half time being 1—1, and at three-quarters, 3—1, in favor of Orillia.

The Oshawa team became desperate in the last quarter, and succeeded in scoring one goal; but, altho the whole team rushed down to the attack, they could not again do the trick on the close-checking Orillia defence. Mr. Robbins, who refereed the game, was kept busy watching the players, but proved to be equal to the task, always keeping the game well in hand. Orillia has still a chance of appearing as champions of District No. 2, for, if their protest against Huntsville carries, as it likely will, they will have to play Bracebridge for the district.

The McLaughlin Carriage Company, Limited, of Oshawa, ran their annual excursion here, bringing their baseball team along for an exhibition game with the Tudhope Carriage Company's team of this town. The game was won easily by the former by a score of 22 to 6.

Elms Beat the Broadviews.

In one of the cleanest games of the season, the Elms won from the Broadviews on Broadviews' grounds Saturday by 3 to 2. The game was entirely free from roughness and both teams played good, scientific lacrosse. Only one man was ruled off during the game. George Drury was an impartial referee. Too much cannot be said of his good work, as he thoroly understands the game and at no time did the players get beyond his control. Five or six hundred people attended the game. The teams were:

Elms (3): Stuart, goal; Johnstone, point; Telford, cover-point; Patterson, Chapelle, Trible, defence field; Chapelle, centre; Smith, Bolton, Matheson, home field; Tyler, outside home; Booth, inside home; captain, Woody Taggart.

Broadviews (2): Morris, goal; Sharp, point; Malcolm, cover-point; Whitehead, Risk, Brown, defence field; Innis, centre; Otter, Ezard, Gill, home field; Charles Gill, outside home; Booth, inside home; captain, Charley Hallet.

Lacrosse at Hamilton.

Hamilton, Aug. 16.—The Paris Lacrosse Club defeated the Hamiltons here this afternoon in an exhibition game by a score of 7 to 6. The game was fast and exciting. W. T. Koppell was referee and the teams were:

Paris (7): Kempthorne, Wilson, Heaney, Stewart, Taylor, P. Leyden, Keaveney, J. Sinclair, G. Sinclair, L. Leyden,—Munn, Axton.

Hamilton (6): Brossonit, Kay, Little, Cameron, Lembecke, Geroux, R. Wright, Ryan, Byrne, Hearderson, Burley, J. Wright.

Orioles Beat Shamrocks.

At Jesse Ketchum Park on Saturday the Orioles beat the Junction Shamrocks in a City League game by 9 goals to 4. W. Brent of the Young Torontos refereed satisfactorily.

No Lacrosse Team for Australia.

Vancouver, B.C., Aug. 16.—The Sydney Daily Mail, received here to-day, states that Mr. J. Meirose Macdonald, hon. secretary-treasurer of the Toronto Lacrosse and Athletic Association, is to go to Australia next summer with a team organized in Canada.

Some time ago the sending of a Canadian lacrosse team to the Antipodes was mooted, but appears to have been abandoned. This is probably led Mr. Wardell, manager of the present Australian cricket team in England, to make inquiries from Mr. Macdonald, who forwarded the facts as given above to London. Prior to Mr. Wardell's receipt of the letter the erroneous report as given by the Sydney Mail was probably sent from England to Australia.

ST. LOUIS LOST AT MIMICO

Asylum Cricketers' Sensational Victory—Bannon and Blackburn Carried Off the Field.

CHAMPIONSHIP FOR ST. SIMON'S

Toronto Scored Two Victories Over St. Alban's—Rosedale in a Draw.

The St. Louis Cricket Club visited Mimico Asylum on Saturday and were defeated by 23 runs, in the most exciting game that has been played on the Asylum oval this season. The tourists went to bat first and piled up 101 runs, Robinson giving a good exhibition of hard hitting, making top score for his side, Price and Murray also getting doubles by patient cricket. The Asylum sent Terry and A. Beemer in. Terry started right away with a couple of threes, a four and a five, and the Asylum people were happy. But this did not last long, for he was well caught at long on. The rest went in in rapid succession, until 10 wickets (they played 12 a side) had fallen for 85 runs, and 17 runs were wanted to win. Blackburn then joined Bannon and one-walled steadily, while Bannon kept the leather rolling out among the visitors, until the score was even. Then Blackburn got a smash at the ball and scored the winning run, and before he was dismissed they had put on 30 runs, winning the game by 23, which looked so hopeless a short time before, and for the first time in the history of M. A.C.C. the heroes were carried off the field. Whitaker secured the bowling honors, taking 6 for 35. Score:

St. Simon's Church League Championship.

On Saturday afternoon St. Mark's and St. Simon's played a Church League match in the Exhibition grounds, resulting in a win for St. Simon's by 209 (for 9 wickets) to 22. For St. Mark's P. A. Keeler was the only one to get double figures, and hit out well for his 11. For St. Simon's J. A. Cameron played splendid cricket, getting 45 runs inside of 36 minutes, and was retired by a splendid left hand catch at point by Mr. Chambers. G. F. Campbell 45, W. J. Wheble 44 not out, E. V. Smith 30 and W. J. Wilson 13 all hit freely. At bowling Messrs. Millican and Cameron were both in good form. The former got 5 wickets for 9 runs, the latter 4 for 12.

DR. J. COLLIS BROWNE'S CHLORODYNE

Vice-Chancellor Sir W. Page Wood stated publicly in court that Dr. J. Collis Browne was undoubtedly the inventor of Chlorodyne, that the whole story of the defendant, Freeman, was deliberately untrue, and he regretted to say it had been sworn to. —Times, July 13, 1864.

DR. J. COLLIS BROWNE'S CHLORODYNE.—The Right Hon. Earl Russell communicated to the College of Physicians and J. T. Davenport that he had received information to the effect that the only remedy of any service in cholera was Chlorodyne.—See Lancet, Dec. 31, 1864.

DR. J. COLLIS BROWNE'S CHLORODYNE is prescribed by scores of orthodox practitioners. Of course, it would not be thus singularly popular did it not supply a want and fill a place.—Medical Times, January 12, 1866.

DR. J. COLLIS BROWNE'S CHLORODYNE, the best and most certain remedy in coughs, colds, asthma, and 2.15 consumption, neuralgia, rheumatism, etc.

DR. J. COLLIS BROWNE'S CHLORODYNE is a certain cure for cholera, dysentery, diarrhoea, colic, etc.
