DEFENCE FOR THE DRIVEWAY,

Editor World: I had the pleasure of reading an article on page 4 of this morning's isse of your paper,re Adelaide-street spee w.y. alu signed a City Hotelkeeper. As it referred to the Toronto Driving Club and myself, as president, I wish to answer the writer of the article. If he was writ ing for the good of the people, why was he not man enough to sign his name, instead of hiding behind a screen, and trying to strike a good cause a blow in the dark. No do the has a reason for writing such an article, it would be more gentlemanly to come right out and state his own right out and state his own reasons, backed up with his own signature. My reasons for putting in the application for mission for the horsemen of Toronto (not the Toronto Driving Club members alone-altho most of the prominent horsemen and gentlemen drivers of the roadster class of horses are members of this club-for the use of Adelaide-street, from Simcoe-street to n.m. on Wednesday evenings, during the winter season, were as follows: Adelaide-street during the hours mentioned and, the section asked for, is practically free of any kind of traffic, Also there are only a few houses on the south side of the street. It is central, and I am sure " the opinion the residents of Adelaide West given, that they would be found to be

in favor of the speeding, as it is a pleasure that almost any person enand size of Toronto, has granted to in these days. What if a man did once go in for tearing down all our old and cherished institutions? Is he to have no opportunity to repeat? We have no opportunity to repeat? We have no opportunity for the assertion the railways.

In the Nortes, and the jack and th supplied with parks, so as to the pleasures of life. But of horsemen ask for any concessions such as the one asked for in my letter to the City Council, there are always some narrow-minded persons to come that is asked for as in this case. are the Toronto Driving Club. I am posed of the better class of the horsedo not stop at any figure when a good

As to the city granting this club any concessions. I may say, in answer that any concession made by the City Council to this club has been carried out in a straightforward and businesslike manner, and with no complaints from the city officials or the public am sure the horsemen only suggest but are only anxious to be allowed some place or any place the Council will set apart for this amusement Sam McBride,

President the Toronto Driving Club Toronto, Jan. 21, 1903.
