

MEETING OF GENERAL ASSEMBLY.

This Church having been chosen by the General Assembly as its place of meeting in June last, the Court deems it proper to place the fact on record. It is hardly necessary to say that the honour was duly appreciated by the Congregation. The entire proceedings were most harmonious; while the presence and addresses of the distinguished delegates from Scotland were greatly enjoyed.

ALTERATIONS AND IMPROVEMENTS.

-Some change having been found to be necessary in the position of the pulpit, it was decided to bring it forward 6 feet, and to raise it a farther height of 8 inches. This alteration was carried out, and we believe is acknowledged to be a decided improvement both for speaker and hearers. Inside doors have also been placed in the vestibule leading to the Lecture Room, thereby making that portion of the building much more comfortable in the winter season.

IN CONCLUSION.

Having thus briefly reviewed the work of the year, it but remains for us to add, that while we have been enabled to do something for Him who has done so much for us, let us not rest content with what has been accomplished in the past, but resolve, God helping us, that the year upon which we have entered will call forth still greater effort on the part of each and all of us.

The whole respectfully submitted.

H. CAMERON,

Clerk Deacons' Court.
