BROADVIEW BOYS TRAINING.

The Broadview boys are getting down to real hard training for the Ontario boys' championships. A. Makings is as good as ever at long distances, and by the way he is training will be in excellent condition for the meet. J. Cubitt, F. Chaimers and W. Gazely are training hard for the one-mile walk. Cubitt has improved his style and speed considerably and looks like cleaning up this event. Other boys who are new to the game are out every night training, and from the way some go at it they will make good.

Ofter Him-Over a Score in the Chase.

A gentleman, who usually makes his home in Toronto, is missing. He was seen for a short while on Monday, but no trace could be found of him yesterday. A posse was organized on Monday to hunt the lost one and up to the hour of going to press the searchers had failed to unearth him.

The searching party has been most thoro in their efforts to locate him, and the posse is composed of some well-known men. President McCaffery, Manager Joe Birmingham, Scout and Money-counter Arthur Irwin, Jake Levine and a score of husky young athletes of the Toronto Ball Club are the searchers, and the hunted one is a warm old gentleman named Old Sol.

Old Sol failed to turn up as expected on Monday, but nobody thought that he would stay away all day yesterday. His disappearance made it necessary to postpone the baseball opening on Monday and again yesterday. Surely he will be found before 3.15 this afternoon.

If he appears the opening ceremonies as carded for Monday will take place.

The Royal Canadian Horse Artillery men will attend the opening game at the Island today in a body. On hearing of the postponement yesterday about 150 of the corps went to the Star Theatre and saw the clean buriesque show, and at intervals enlivened the proceedings with their cheers.

Pat Moran's Phillies are coming, Yes-terday's win was the fourth straight from Herzog's slipping Cincinnati team.

The New York Yankee team is within the 25-player limit, due to the release of four recruits who have been with the club since spring. The men are: Luther A. Cook, sent to Oakland, in the Pacific Coast League; Urban Shocker to Toronto, in the International, and Charles Mullen and Bill Piercey, as yet unplaced. Buffalo Internationals expect to get Mullen.

George Moriarity, utility infielder of the White Sox, yesterday signed to manage the Memphis team of the Southern Association, and will undertake his new duties at once. The White Sox obtained Moriarity last winter from Detroit, planning to use him as a pinch hitter and emergency man, but President Comiskey did not care to keep on the bench a man who had a chance to be manager.

did not care to keep on the bench a man who had a chance to be manager.

Who are the oldest active ball players in the game today? This question is asked daily by the followers of the game. Until Rhody Wallace retired last season to accept a position as umpire he held that honor, but beginning this year Napoleon Lajoie has the honor of being the oldest player in active service.

Lajoie joined the Philadelphia National League team in the fall of 1896, and he has never missed a year from the dlamond, and today there are few infielders who can take his place, even if he is old enough to be the father of many who are in the game. Larry was 41 last September, and, like Wagner, who is about six months' older, they are the youngest old pair in the game.

It was in 1897 that Wagner broke into the majors; and from then until 1910 many of the present day players started, and of these only a few are still in the game. Of all the players who have started since Lajoie began until the end of 1910 but 103 men remain.

The following are the names of players, years they began and teams they started out with:

1896—Lajoie, Philadelphia.

1897—Wagner, Louisville.

1899—Crawford, Detroit.

1901—Mathewson, New York; Turner, Pittsburg: Plank, Athletics.

1902—Tinker, Chicago; Dooin, Philadelphia; Evers, Chicago; Dooin, Philadelphia; Evers, Chicago; Dooin, Philadelphia; Evers, Chicago; Magee, Philadelphia; Lobert, Pittsburg:

LICENSES GRANTED TO

Lost Gentleman Has Big Posse C. R. A. Issue List After Meeting -Candidates Work in Mud at the Woodbine.

It looks like J. E. Seagram coming to his own this year at the Woodbine in the race for the guineas. With the likelihood of Dyment's McBride and Giddings' Armine refusing the issue in the big feature on Saturday, Mandarin, Gala Day and Gala Water should have things pretty much their own way, and it is even suggested that the president may run 1-2-3.

The feature yesterday morning of the platers' work was Old Pop's mile thru the mud in 1.50 2-5, with Guy Burns and 130 pounds, all told, on his back.

Last Spark, the Hendrie plater, and Splutter, put in a mile in 1.53 and 1½ miles in 2.21. Privet Petal, from the same stable, showed the fastest performance of the morning—a mile in 1.48. Good Shot galloped three-quarters in 1.27.

Charles Miliar's Tartarean covered six furlongs in 1.21. Fair Montague went three-quarters in 1.20 3-5. Shrovetide went a mile in 1.52 4-5. Garish Sun cov-ered his six furlongs in 1.22. Luminate got three-eighths in .33 2-5.

The Barrie two-year-old, Play. Time, went three-eighths in .43, and Tera Hera three-eighths in .40. Lady Curzon romped an easy seven furlongs in 1.33. T. J. Bird's Tar Brush, in company with Harry Bassett II., went five-eighths in 1.07 2-5. Audrey Austin showed a half in .53 3-5.

Trainer McDaniel gave the Thorncliff's Stable pair, Fountain Fay and King Hamburg, a mile in 1.50 3-5. Early Sight got a half in .53 3-5. Hampton Dame went a mile in 1.50 3-5, a very creditable effort.

Other works were: Billy Frew, with Lady Spendthrift, three-quarters in 1.25, galloping: Meissen and Will Cash, three-eighths in .39; The Usher, three-quarters in 1.26 2-5, galloping. Marion Galety, five-eighths in 1.09 2-5; Birdland, three-quarters in 1.26; Johnny Harris, five-eighths in 1.10 3-5; Pampina, three-quarters in 1.23; Nellis C., three-eighths in .39 2-5, and Tankard, three-eighths in .39 2-5, and Tankard, three-eighths in .39 2-5, and Tankard, three-eighths in .39. The latter is very good this spring.

The horses of Ed Moore, including Bill Simmons and Jack Reeves, G. W. J. Bissell, with Dental and Helmet's Daughter, and F. J. Pons, with Judge Wright, John Furlong, Bonero's First and sevefal Tony Bonero two-year-olds, are at the Woodbine. Woodbine.

Kingston Gunners All Round Athletes

C. Battery, R.C.H.A. of Kingston, now here on leave of absence, have a splendid array of all round athletes and, unlike most Canadian units, could select a Rugby team from their 250 men that bould make a good showing in a union like the Big Four. As C. Battery will likely go overseas before the fall Kingston may not be represented in the proposed soldiers' Union that will provide Rugby for the public the coming autumn.

Just now the Kingston artillery men are enjoying themselves playing baseball. Their team looks sufficiently strong to play a picked nine from the Toronto batteries and they may arrange a game shortly. Sergt. Buckle from Virginia is the manager of C. Battery team and Bdr. Garrett captain. The line-up includes well-known performers from Toronto, Montreal, St. Thomas and the States, and is something like the following: Pitchers Gamie, Douglas, Colligan, Bower, catchers, Arquhart and Rusar; first base, Lieut. McArthur, R.C.H.A.; second base Carroll; third base, Garrett; shortstop, Drake; left field, Goddard; centre field, Hargraft; right field, McFetrich; manager and pinch hitter, Sergt. Buckle, R.C.H.A.
