Hockey Brampton - 3 Weston - - 1 Curling Winnipeg Bonspiel

BRAMPTON IS READY FOR THE NEXT ROUND

Defeated Weston, Three to One, in Replayed District Game at Arena.

Brampton are now ready for the next round of the O.H.A. intermediate series. After playing Weston to a tie after half an hour of overtime on Friday night, Brampton came back and checked the Weston outfit to a standstill last night, and won, 3 to 1.

The survivor will not go far in the intermediate series. It was poor hockey, and the only thing that made it interesting was the earnestness displayed by both outfits. Weston did too much useless circling, and this lost them the game.

Friday's game did Brampton a lot of good. They went more directly to the net and passed better last night. The defence used their bodies, and the goaler showed improvement. Hammond checked from end to end, and it was his good work that broke up most of the Weston rushes. Moss was the best for the losers. Barlett loafed too much offside.

Robinson scored the only goal of the first period with a shot from the side. Weston checked bravely in the second period, and with the loss of play it was a scoreless period.

Hammond and Beechman found the net early in the closing round, and Barlett got Weston's only goal by batting in a rebound. The teams:

Brampton (3)—Goal, McClure; defence, Beechman and Ingoldsby; rover, Sarles; centre, Burrell; right, Robinson; left, Hammond.

Weston (1)—Goal, Dickin; defence, H. Coulter and McEwan; rover, Moss; centre, Barlett; right, J. Coulter; left, G. Coulter.

Referee—Dr. Jerry Laflamme.

The Summary.

First Period.—

1. Brampton.....Robinson 7.00

—Second Period.—

No score.

—Third Period.—

2. Brampton.....Hammond 3.00
3. Brampton.....Beecham 2.00

Belleville Unable To Secure Home Lead

BELLEVILLE, Feb. 21.—The Belleville junior O.H.A. team and the Junior K.C.I. of Kingston this evening played here a match which was most interesting. It was the first of the home and home games for the semi-final period. The result was a tie, both teams scoring four goals. At the finish of the second period the score was 4 to 2 in favor of Kingston, and in the third period Belleville scored two goals, whilst the K. C. I. players were unable to find the net. The play thruout by both teams was fast and exciting. Mr. W. McCreath of Toronto was the referee. The line-up of the teams was as follows:

K.C.I.: Goal, S. Zoland; right defence, R. Ferguson; left defence, J. Evans; rover, W. Paul; centre, G. Stewart; right wing, R. Spoor; left wing, W. Gratton.

Belleville: Goal, Nurse; right defence, Lynn; left defence, L. Arnott; rover, Whalen; centre, G. Arnott; right wing, Armstrong; left wing, Green.

Took Three Bottles From Hotel When Raided by Troops Recently.

CALGARY, Feb. 21.—Harry Hugheson, a soldier, was fined $20 and costs today, with the alternative of thirty days in jail, for stealing three bottles of liquor from the Riverside Hotel during the soldiers' raid on that place recently. Two other enlisted men, George Stevenson and D. J. McDonald, were charged with wilful damage to the White Lunch Restaurant, which was wrecked during the soldiers' raids, but were remanded for sentence till Wednesday. F. H. Nagel, proprietor of the restaurant, admitted that he was a German-American and a naturalized Canadian. Two Austrians, but no Germans, worked for him at the time of the raid, he said.

Photo Arts Take Lead In Fivepin League

During the past week Saunders' bowling alleys were the scene of several hard fought battles and for the first time since its opening Saunders' Fivepin League has a real leader. Up to last week the Photo Arts and the Winged Wheelers had disposed of all opposition and were running neck and neck in the first positions, but on Monday night the break came. The Cashiers and the Winged Wheelers hooked up for the first time. The latter team evidently did not anticipate such opposition as was offered by the heretofore low-scoring Cashiers and received a severe jolt when they had to take the short end of the count in the first two games. However, Capt. Jardine managed to pull his men together in the final encounter and succeeded in squeezing in one victory.

After winning the first pair on Wednesday evening it appeared as if the strong quintet of Engravers were going to continue on their way without a defeat but Capt. Roberts turned in some nice scores and landed the odd battle by ten pins.

On the same night the five bowling artists from the Star Theatre tried conclusions with Arthur Johnson's Woodbines and the east enders can count themselves lucky in downing Chas. Leake's warriors for the odd contest.

This outfit of Johnson's is by no means composed of weaklings for they duplicated the trick the following night and claimed two victories at the expense of the tallenders, the Sweet Caporals.

The tenpin rollers, altho not yet leagued up, are hammering away to keep in condition and each day sees the alley records shaken. In the Canadian Kodak League the contest is tightening up, altho the Packers are still out in front, with the office right on their heels. The standing of Saunders' Fivepin League to date is:

RANDALL SUSPENDED BY PRO. PRESIDENT

Rough Work in Ottawa the Reason—Wednesday's Big Game —Hockey Gossip.

A Montreal despatch says: Randall, the Toronto defence player, is suspended, indefinitely, from N.H.A. hockey, according to the announcement today of President Quinn.

Randall's suspension is not altogether the result of his attack on Staveneau at Ottawa, Saturday night, but arises also out of threats upon the referees.

The report of the officials, Cooper Smeaton and Johnny Brennan, turned into President Quinn this morning, noted that Randall made threats to both of them.

He attacked Staveneau while the latter was lying on the ice.

Randall is suspended until President Quinn hears the player's side of the case.

Noble and Smith are down with la grippe and may not be able to line-up for Riversides against Argonauts on Wednesday in the deciding game of the local senior group. A Riverside win will give the east-enders the right to meet Kingston Frontenacs in the semi-finals. A victory for Argonauts will tie up the group and mean home-and-home games for the local honors. Argonauts have been practising faithfully, and it should be another rousing tussle.

Toronto R. & A.A. have defaulted their remaining games in the local senior group. They had two more fixtures, one each with Riversides and Argonauts. As a result of the default, there is only one game remaining in the group, that on Wednesday night between Argonauts and Riversides. Of course, if Argonauts win this game, the group will be tied and an extra game will then be necessary. The winner of the Toronto group will meet Kingston Frontenacs in the semi-finals. If Riversides win the game on Wednesday, the first game with Frontenacs may be played at the Arena on Saturday afternoon.

Midland will meet Brampton in a third round intermediate game at Brampton on Thursday night.

Torontos are very sore over the reported suspension of Randall by President Quinn for the alleged use of a threat to Referee Smeaton. No notification has been received by the club as yet and as Randall was given permission not to report for practice till this morning his side of the matter is unknown.

Ulrich, who was released yesterday, asked for another chance and will likely be granted his request. His failure to check his man and his disposition to roam all over the ice were responsible for his release.

Torontos will practice this morning, tomorrow and Thursday, with a light workout Friday. C. Wilson will be here for Saturday's game with the Senators, ready to understudy Lesueur. He has been unable to get away for the last few games.

Jack Burrell got a nasty cut over the eye in the Brampton-Weston game last night.

CANON GAULD TO BE HEARD TONIGHT.

HAMILON, Tuesday, Feb. 22.—Canon Gauld of Toronto will give an address in the Church of the Ascension School Room, under the auspices of the Men's Club, tomorrow evening, at 6.30 o'clock. His subject will be "Syria and Arabia as Factors in the Scheme of Germany."

Gas in the Stomach Is Dangerous

Physicians Recommend the Use of Magnesia.

Sufferers from indigestion or dyspepsia should remember that the presence of gas or wind in the stomach invariably indicates that the stomach is troubled by excessive acidity.

This acid causes the food to ferment and the fermenting food in turn gives rise to noxious gases which distend the stomach, hamper the normal functions of vital internal organs, cause acute headaches, interfere with the action of the heart, and charge the blood stream with deadly poisons, which in time must ruin the health. Physicians say that to quickly dispel a dangerous accumulation of wind in the stomach and to stop the food fermentation which creates the gas, the acid in the stomach must be neutralized and that for this purpose there is nothing quite so good as a teaspoonful of pure bisurated magnesia taken in a little water immediately after meals. This instantly neutralizes the acid, thus stopping fermentation and the formation of gas, and enables the inflamed, distended stomach to proceed with its work under natural conditions. Bisurated magnesia is obtainable in powder or tablet form from any druggist; but as there are many different forms of magnesia it is important that the bisurated which the physicians prescribe should be distinctly asked for.

KNOTTY LEE BOOSTED AS CLEVER ORGANIZER

Toronto Man Would Unite Canadian and Michigan Leagues, or Go to New England.

There is a lot of truth in The Hamilton Herald's eulogy of the ability of Knotty Lee as an organizer. Last night The Herald said:

George Knotty Lee, organizer of the Canadian Baseball League, and the one man who hasn't received the credit due him for the present standing of this organization, is about to set out on another such mission. Knotty has not yet signed up to pilot the Guelph Club, and if the proposed amalgamation with the South Michigan League clubs fails to materialize, he will leave within a week for New England to organize an eight-club C class league made up of clubs ranging in population from 40,000 to 60,000. Several of the clubs which he proposes to get interested have not had baseball for many years, and they are greatly interested in his proposal.

Providing the Canadian League Clubs delegate Lee to go to Michigan and arrange the amalgamation with the Canadian League, he will not take on the other league, but the Canuck Club owners must make up their minds quick. Knotty is quite enthusiastic over the new league.

Lee showed himself a fine organizer when he interested the Canadian clubs in what is now known as the Canadian League. He did able work, and, unfortunately, did not get the credit he deserved for supplying baseball in these parts. Most regrettable of all was the treatment accorded him in Hamilton, and there are many who were numbered among his knockers when he was here who would gladly welcome him back. Those who have piloted the club since he left here have not done as well.

CAMPBELLTON, N.B., RIOT WAS A MINOR AFFAIR

Marcil Tells House He Was Misinformed When He Made Statement.

By a Staff Reporter.

OTTAWA, Ont., Feb. 21.—Upon the orders of the day in the house Hon. Charles Marcil said he had been misinformed when he stated to the house a few days ago that there had been rioting in Campbellton, N.B., similar to the recent rioting in Calgary, and that 20 soldiers in one day had been arrested for drunkenness. In this connection he read a letter to the house from the mayor of Campbellton and also an apology printed by the newspaper which had made the charges. Mr. Marcil said he had based his statements upon what he had seen in the Campbellton newspapers.

WINNIPEG BONSPIEL PRIZES GO OUTSIDE

Moose Jaw Rink Has Remarkable Record—Where Some of the Cups Went.

WINNIPEG, Feb 21.—This year's Winnipeg bonspiel will go down in history as one of the greatest, owing to its entry list, the innovation of the progressive system of play, and for the remarkable showing made by visiting rinks. Not in years has there been such a large amount of jewelry go to outsiders as there will be this time. Up until about three bonspiels ago officials of the Manitoba Curling Association always had to contend with a big disadvantage, as the city rinks were so strong that visitors were unable to get in very deeply on the prizes. As a result of this disadvantage, and the large number of new bonspiels being held thruout Manitoba and western Canada, the Winnipeg carnival began to suffer for the want of visiting rinks. Of late years country curlers have shown remarkable strength, with the result that, while several cups stay here, the bulk of the prizes go out of the city. This splendid change in the proceedings has given the local carnival a boost, as the entry of 222 rinks this year well shows.

Altho visitors have done well in other times, their success this year is the greatest in the history of the local affair. In every event on the program, excepting the Birks, which was won by the city curlers, outside rinks figure prominently in the jewelry. This is a remarkable demonstration, and it is causing many to wonder how Winnipeg triumphed over all-comers in the annual match last Saturday.

Despite the fact that Jimmy Gillespie and his merry band of red-jerseyed curlers from Moose Jaw dropped one game during Saturday's play, they continue to hold up the Winnipeg bonspiel. The western curlers are still in five events, and if they win all their games, have twelve to play before they could complete their schedule.

Three cups were disposed of. The Cameron (consolation) was picked up by the Pepper rink from Deloraine, who bumped the J. T. Haig combination from the Strathcona. The Walker Theatre Trophy also went to the country, and a good distance away at that, as the Miller-Savage aggregation from Calgary beat Kerr of Miniota in the final at the Granite last night. The White Cup, for veterans, was another trophy to travel outside. Dave Railton from Sintaluta grabbed the event by beating Mac Campbell of the Thistle in the final. There was a little misunderstanding over this event, as the McMillan rink of the Strathcona did not play Campbell in the semi-final, owing to one member of the rink taking part in another game at the same time.

Adams of Newdale had the honor of putting the kibosh on the continued run of victories of the Gillespie rink. It was a battle royal, in which the Manitoba rink was not assured of victory until the last rock was thrown. The Moose Jaw aggregation won three out of four events, making twenty-seven victories for them since they entered the 'spiel. They are still in the Tetley, McLaren, Robinson, Eaton and Tuckett. They have reached the jewelry class of three of these. The strong Rochon rink of the Thistle was knocked out twice—first in the Birks by Walter Payne, and later in the McLaren by Adams of Regina. This means that Byde Hallock only needs to win one game in the open events to cinch the grand aggregate, emblematic of the championship of the bonspiel.

There are still six events to finish. In the McLaren there are three rinks left to fight it out for the cup. In the top half, Gourley is the last hope of the Strathconas, and he stacks up against Gillespie. Adams of Regina is in the bottom half, waiting for the winner of the above. In the Tetley Tea, Mac Braden has reached the final, waiting for the winner of the Hallock-Gillespie game. The Eaton competition has four rinks left. In the top half, Doig of Glenboro and Adams of Regina battle for supremacy, while in the bottom Hudson of Kenora clashes with Gillespie. The Robinson is also into the fours. Hewitt of Melita has reached the final stage, while Hudson is waiting in the fours for the winner of the Gillespie-Manwaring game. The Tuckett has also reached the semi-final stage. Melita is in the final, while the Thistles are waiting for the winners of the Civic-Moose Jaw game. Three Granites, McDougall, Blackburn, Cameron, and Wakefield of the Civic remain in the Birks.

Seven Curling Teams Play District Finals

The district cup champions play the finals today as per the draw in sporting announcements. Seven of the eight districts are represented, which is pretty good for so late in the season. The London district is the defaulter. The clubs to represent the districts in the finals are as follows:

District.	Winner.
1	Toronto Granite.
2	Peterboro.
3	Belleville.
4	Stroud.
5	Owen Sound.
6	Galt.
7	Hamilton Thistles.
8	No representative.

REQUEST OF BRANTFORD INVOLVES BROAD ISSUE

Ontario Government Will Define Stand on Grand Valley Railway Deal.

By a Staff Reporter.

OTTAWA, Ont., Feb. 21.—When Mr. F. Cockshutt moved the second reading of a private bill respecting the Corporation of the City of Brantford in the house today he was asked to explain why Brantford was coming to the Dominion Parliament for legislation. Mr. Cockshutt said that the Grand Valley Railway Company, which had operated the Brantford street car system and a radial railway from Brantford to Galt and Paris, had been incorporated by Dominion legislation. The City of Brantford, having taken over the local street car system, desired to acquire the rights and powers of the Grand Valley Railway Company, and for that purpose had to seek federal legislation.

Hon. Wm. Pugsley said the Province of Ontario had over and over protested against this parliament assuming jurisdiction over local electric railways in that province.

Sir Robert Borden suggested that the bill be given a second reading. He would notify the attorney-general of Ontario respecting the same, so that the provincial government could be heard before the bill was reported back from the railway committee.
