

## To Recall the Operator

When, for any reason, you wish to attract the operator's attention, move the receiver hook up and down slowly.

When it is "jiggled" or moved rapidly the signal light on the switchboard may not flash and attract her attention.

When the hook is moved slowly the light glows and brings a more prompt response.

## FRENCH ADVANCE ABOVE MONASTIR

Ally's Troops Carry Hill and Two Villages in Macedonia.

### BRITISH MAKE RAIDS

Germans Use Poisonous Gas Shells in Retaliatory Bombardment.

Paris, March 20.—French troops in Macedonia, according to a war office announcement this afternoon, have captured a hill and two towns about three miles north of Monastir, after stubborn resistance on the part of their antagonists. They also took more than 1200 prisoners, including 11 officers. Military activity on the part of British forces to the east of Lake Doiran resulted in the bringing in of prisoners.

The text of the announcement follows: "Between March 19 and March 18 inclusive, after a series of very spirited attacks in the region to the north and to the west of Monastir and in spite of the stubborn resistance of very heavy snowstorms, French troops captured by assault Hill 1248, the Sengovo monastery, after three miles of fighting, and the village of Rashtani, about three miles north of Monastir. The counter-attacks of the enemy were repulsed. Nine machine guns, 1200 prisoners, including 11 officers, fell into our hands.

During some raids executed upon the villages of Brest and Poroy, east of Lake Doiran, and at the foot of the Belesh mountains, British forces took a number of prisoners. The enemy responded with a bombardment in which gas-shelling was used.

Today's Berlin statement says: "Macedonian front: The struggle that has been going on for the past nine days between Lakes Ochrida and Prespa, as well as on the heights north of the Monastir head, was equally unsuccessful yesterday for the French. Their storming troops advanced on a broad front against our positions, north of Monastir, as well as in the Lake Narrows. All attacks failed under our fire, the combat at isolated points coming to hand-to-hand fighting. Our troops and those of our allies fought with excellent bravery.

"North of Lake Doiran several British companies were dispersed by artillery fire."

Growing activity in Macedonia has been reported during the last few days. On Friday the British announced the capture of Poroy railway station, but next day Berlin said it had been retaken.

## Blockade of Greece Lifted

Wheat Landed at Piraeus

London, March 20.—The ministers to Greece of the entente nations have again taken up their residence in Athens. Reuter's correspondent there reports. The discharge of a cargo of wheat destined for Piraeus begins today.

The admission of wheat to Greece indicates the lifting of the blockade which has been in effect for several weeks.

## If Stomach Hurts

Drink Hot Water

"If dyspepsia, suffering from gas, wind or flatulence, stomach acidity or sourness, gastric catarrh, heartburn, etc., would take a teaspoonful of pure bicarbonate of soda in half a glass of hot water immediately after eating, they would soon forget they were ever afflicted with stomach trouble, and doctors would have to look elsewhere for patients." In explanation of these words, a well-known New York physician stated that most forms of stomach trouble are due to stomach acidity and fermentation of the food contents of the stomach, combined with an insufficient blood supply to the stomach. Hot water increases the blood supply and dissolves the acid, instantly neutralizing the excessive stomach acid and stopping fermentation. The combination of the two, therefore, being a most effective remedy for indigestion, is preferable to the use of artificial digestants, stimulants or medicines for indigestion.

## INCREASED ACTIVITY MARKS ITALIAN FRONT

Reconnoitering Parties Engage in Brisk Encounters on Dossocassina.

Rome, March 20, via London.—"Yesterday there was increased artillery activity along the whole front," says the official statement issued today by the Italian war department. "It was most marked on the Tonale, in the area of Monte Passio, on the Colago Plateau, in the Tolmino sector east of Gorizia, and on the Carso. Brisk encounters of reconnoitering parties were reported on the slopes of Dossocassina. One of our patrols captured an outpost and took ammunition and material. There were numerous encounters. We brought down an enemy aeroplane on the Alago Plateau. The aviators were made prisoner."

Following is today's official Austrian report from the Italian front: "On the coastal front aviators were active, and for a time there was heavy artillery fighting. In the Adige Valley, however, the air was clear. One of our Alpine detachments captured the dominating mountain top of Hoenenheide."
