BIG DEFENCE TOO STRONG FOR MOOSE Brampton.

Vair's Kids Soundly Beaten in Junior Fixture at the Arena.

Steve Vair's Moose kids went down with a loud thump before Aura Lee juniors at the Arena last night to the tune of 6 to 1. Aura Lee were a vastly improved outfit and used combination from bell to bell. They have the flargest defence in junior company in McKay and Applegath, and the Moose kids had stage fright every time they skated up the ice and looked up to see two glants towering above them.

Aura Lee forwards checked like flends and turned into a pretty passing game when on the attack. The Moose defence was wide open and the red-shirted crew waded thru almost at will.

Not until the tihnd period did Moose get into their stride, and then they staged a determined offensive. Frost took to body checking and it broke up the Aura Lee front line when wading in.

Aura Lee had much the best of the play in the first two periods. They collected the only goal of the opening session and out-scored Moose 4 to 1 in the second. The last period produced only one goal, and Aura Lee got this.

Dinsmore and Denard were the Aura Lee best forwards, MoKay, the new defence man, is not speedy, but effective. He looks like a find. Applegath played a strong game.

Bousfield had considerable over the rest of the Moose front-line general contractions at the moose front-line general contractions are the moose of the considerable over the rest of the Moose front-line general contractions.
