

## FIFTH ANNUAL MEETING.

---

On the morning of June 3rd the delegates and friends met in the Northern church, Toronto. The number of representatives present from our various auxiliaries was fairly good, considering the large district covered by our Board and the consequently long distance some would have to travel in order to attend this meeting. Although the weather was not favorable on this opening morning still all faces were brightened with the joy of meeting and greeting those who are becoming very familiar as co-workers in the Women's Board. With much regret we learned that our efficient secretary, Miss Wood, was unavoidably prevented from attending this meeting. The delegates and friends were entertained at lunch each day, and tea was also served on the closing evening. Although the members of all the Toronto Auxiliaries united in entertaining the guests, still the members of the Northern church were especially active and most indefatigable in their efforts to make all happy.

### FIRST DAY.

The devotional meeting led by Mrs. Wickson, of Toronto, occupied the first half hour. The leading thought of this meeting was Christian Consecration in the Home, in the Church and in the Foreign Field. At the close the President took the chair and opened the business session. Miss Willson, of Toronto, was appointed minute secretary. The minutes of the last afternoon session of the annual meeting, held in Montreal last year, were read and confirmed.

The following committees were then appointed :--

#### COMMITTEE ON CREDENTIALS

Mrs. Strathern, Miss Willson.

#### FINANCE COMMITTEE

Mrs. Williams, Mrs. Sandwell, Mrs. John Burton.
